**At Home on the Earth** David Landis Barnhill, 1999-08-05 The physical earth is clearly under unprecedented siege heated toxified scraped But almost as if they were antibodies the finest nature writers of any era have come forward to help in the fight This anthology collects many of the most important at their most eloquent May it ring and echo and do some good Bill McKibben author of *The End of Nature* This is a stunning collection of vivid writing about landscapes and the people who inhabit them The diverse narratives gathered here do more than describe hawks diving and twigs snapping although the book has its share of moving accounts of the natural world A concern to live responsibly in nature runs through this evocative anthology like a subterranean stream and that moral impulse together with the lively prose makes this the best collection of nature writing I ve seen Thomas A Tweed editor of *Retelling U S Religious History*

Writers of the American Renaissance Denise Knight, 2003-12-30 The American literary canon has undergone revision and expansion in recent years and our notions of the 19th century renaissance have been reevaluated Mainstream anthologies have been revised to reflect the expanding literary canon yet resources for readers have remained widely scattered This book expands earlier definitions of the 19th century American Renaissance as represented by canonical writers such as Emerson and Poe covering writers who published popular fiction and dominated the literary marketplace of the day Included is generous coverage of women writers and writers of color The volume provides alphabetically arranged entries for more than 70 writers of the period including Louisa May Alcott Emily Dickinson Frederick Douglass Margaret Fuller Nathaniel Hawthorne Herman Melville Harriet Beecher Stowe Henry David

Thoreau Walt Whitman and many more Each entry was written by an expert contributor and includes a brief biography a discussion of major works and themes a survey of the writer s critical reception and primary and secondary bibliographies

**The Same Ax, Twice** Howard Mansfield,2001-06 A wide ranging inquiry into the nature and possibility of restoration

Landscapes with Figures Robert L. Root,2007-04-01 For some a sense of place is about travel about plunging oneself into new settings For others it is about being and knowing home This book is a collection of essays memoirs nature writing and travel narratives that document the impact this sense of place has on writing In locations as familiar as Cape Cod or Mesa Verde and as exotic as Krak w or Kyrgyzstan thirteen accomplished writers of contemporary creative nonfiction share some of their most memorable work disclosing how place alters our perception and influences our insight Taking readers to deserts and forests islands and mountains Landscapes with Figures is an encounter not only with places but also with writers themselves Each contribution is accompanied by an author s commentary that discusses the relationship to place in his or her writing The authors reveal the connections they feel to the places they write about the role that place plays in the choices they make in relating their experiences and the strategies and work habits that produce such writing This compilation is at once a wide ranging anthology of the nonfiction of place for the armchair traveler and a book about writing for those who aspire to understand and practice the craft carrying with it the invitation to reflect on one s own special places *Where the Mountain Stands Alone* Howard Mansfield,2006 This Incomparable Land Thomas Jefferson Lyon,2001 Nature writing is essential to awakening an ecological way of seeing The author covers the full spectrum of the genre including field guides travel and adventure stories and essays on solitary and back country living This new edition contains an updated bibliography of primary and secondary sources in nature writing through the end of the 20th century **The Boston Globe Index** ,1995 *Creating Waldens* Ronald A. Bosco,Joel Myerson,Daisaku Ikeda,2009 In the provocative discussions comprising this collection scholars Ronald A Bosco and Joel Myerson and Buddhist leader Daisaku Ikeda explore the multifaceted enduring legacy of Emerson Thoreau and Whitman In the process they challenge and inspire the reader to do as these great figures once did to look deep inside oneself to discover potential for growth to encounter the natural world with reverence and delight and to express themselves with poetry and imagination With great appreciation for the timeless and universal relevance of the American Renaissance Bosco Myerson and Ikeda encourage each person to lead lives of greatness and to do nothing less than create Waldens of their own *A Wanderer All My Days* J. Parker Huber,2006 Compiled from John Muir s journal entries letters and hundreds of additional sources this resource presents a detailed examination of Muir s travels throughout New Englandfrom the mountains of Maine to the halls of Harvard University With comprehensive insights into Muir s wanderings this unique reference discusses the beginnings of the environmental movement as well as how 19th century New England literary society evolved This distinctive look at Muir showcases how he was just as much shaped by the cultural landscapes of the East as he was by the pathless expanses of the West *Clearing* ,2001 *Traveling Souls* Brian

Bouldrey,1999 True stories of 20 modern trips to Jerusalem Canterbury Rome the Ganges Ayers Rock Mecca and Santiago de Compostela by fine writers such as Malcolm X Pico Iyer and Michael Wolfe reveal the nature of pilgrimage the search for something spiritual cultural historical or a combination of all these things *The Publishers Weekly* ,2004 **On Thoreau**

Stephen Hahn,2000 This brief text assists students in understanding Thoreau s philosophy and thinking so that they can more fully engage in useful intelligent class dialogue and improve their understanding of course content Part of the Wadsworth Philosophers Series which will eventually consist of approximately 100 titles each focusing on a single thinker from ancient times to the present ON THOREAU is written by a philosopher deeply versed in the philosophy of this key thinker Like other books in the series this concise book offers sufficient insight into the thinking of a notable philosopher better enabling students to engage in the reading and to discuss the material in class and on paper **Profitably Soaked**

Henry David Thoreau,2003 A century of academic scholarship has left us with an incredibly dull and dry image of Thoreau as the moping detached intellectual or the reflective nature mystic In this collection of quotations compiled from all of Thoreau s works and arranged under the headings Adventure Joy Contact and Contemplation editor Robert France counters this prevalent view through nothing less than resurrecting Thoreau bringing him back to the life that he so fully lived This work clearly demonstrates that Thoreau was very much the thirsting sensualist using his body at every opportunity as the way in which to engage the world And it was water above all else that served as the means for Thoreau s deepest immersion into nature **The Concord Saunterer** ,2011 Here-ings Steve Peters,2002 In 1999 composer sound artist Steve Peters undertook a project at The Land a venue for site specific environmental art in central New Mexico Wishing to develop an intimate relationship with the site rather than impose his own noise upon it he devoted himself to the act of listening to the sounds that were there during each hour of the day and night over the course of one year Spanning the disciplines of acoustic ecology environmental and performance art poetry sculpture installation and contemplative practice Hereings documents that experience of immersion in a particular landscape examining the gradual process of becoming connected with Place In sharing his findings Peters encourages us to offer our own attention to the subtle poetry that surrounds us His work reminds us that beneath the surface of the commonplace the extraordinary lies waiting to be revealed **The Great Ohio Roundabout** Jeff Traylor,Nadean DiSabato Traylor,1998-05 The Great Ohio Roundabout is a continuous 750 mile circular driving tour through Ohio in three parts Whether you use the book for day trips to particular locations spend a weekend traveling one of the three historic routes or make a vacation of the entire tour this is an Ohio adventure you won t soon forget Back cover
