[Recovery, the 12 Steps and Jewish Spirituality](#) Rabbi Paul Steinberg, 2014-09-18 Claim the Spiritual Freedom That Waits Beyond the Suffering and Slavery of Addiction One of the important similarities between AA and Jewish spirituality is the statement in Step 12 to practice these principles in all our affairs There is no dichotomy of sacred versus secular Jewish spirituality applies to how we eat sleep work socialize and recreate There is nothing that is external to the relationship of human being to God from the Foreword A major new Jewish contribution to 12 Step spirituality This easy to read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous AA and other recovery resources With clarity and passion Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience strength and hope of AA He draws on Jewish resources theological psychological and ethical that speak to the

Hughes,2025-06-13 This book will introduce you to the oldest gospel in the New Testament the Gospel according to Mark In addition to a look at the ways in which we currently study the Gospels this book will comment on each of the passages in the Gospel of Mark The final chapter of this book considers the Gospel of Mark as a whole namely its characteristic ways of presenting Jesus and the apostles the meaning of miracles echoes of the Old Testament prophets Elijah and Elisha the relationships among the Gospels of Mark Matthew and Luke and Mark s strong criticism of the early church *Dimensions of Yahwism in the Persian Period* Gard Granerød,2016-07-25 What was Judaeen religion in the Persian period like Is it necessary to use the Bible to give an answer to the question Among other things the study argues that the religion practiced in the 5th c BCE Elephantine community and which is reflected in the so called Elephantine documents represent a well attested manifestation of lived Persian period Yahwism as religio historical sources the Elephantine documents reveal more about the actual religious practice of the Elephantine Judaeans than what the highly edited and canonised texts of the Bible reveal

about the religious practice of the contemporary Yahwistic coreligionists in Judah and the image of the Elephantine Judaism emerging from the Elephantine documents can revise the canonised image of Judaeon religion in the Persian period of A Assmann The Elephantine Yahwism should not be interpreted within a framework dependent upon theological conceptual and spatial concepts alien to it such as biblical ones The study proposes an alternative framework by approaching the Elephantine documents on the basis of N Smart s multidimensional model of religion Elephantine should not be exotified but brought to the very centre of any discussion of the history of Judaism

India's Bene Israel Shirley Berry Isenberg, 1988

Economic Analysis in Talmudic Literature Roman Ohrenstein, Barry Gordon, 2009-06-01 This lucidly written study is unique in that there is no book extant by an economic historian that discusses Talmudic economics in the light of modern economics Its major focus is on the intricate debates statements and principles that were forged by the Talmudic Rabbis This ancient storehouse of learning includes a wealth of economic knowledge of modern sophistication The book taps these economic treasures by way of analytic inquiry The authors both economic historians and economists through their study of the original dialectics in the Talmud were able to discern a wide range of macro and micro economic ideas of major significance These

concepts when viewed from either a contemporary or a modern perspective display an extraordinary degree of insight and sophistication. Indeed, sections of the Talmud and the reflections of subsequent commentators on those passages embody a wealth of economic thought that was later to become significant in the reasoning of political economists or of their professional academic successors.

Tobit Michele Murray, 2023-10-13 Blindness by bird excrement, seven husbands murdered by a love sick demon, a father with the corpses of his sons in law interred in the backyard, and a magical fish. These farcical elements make the book of Tobit a striking work of humorous fiction in a long Jewish tradition of storytelling. But it is more than just an entertaining read. We might well laugh, but we cannot laugh too hard for we also sympathize with the characters' sincere struggles to understand God's plan for their lives. This commentary considers the book of Tobit through a specifically feminist lens, discoursing on topics fundamental to the human experience in the story, such as grief, death, family relationships, belonging to a minority community, disability issues, and contending with why bad things happen to good people.
