Even the worst of us have a story to tell and a rationalization to share The problem is that the best of us have already judged them unworthy Many plays for student actors shy away from serious subjects Even so today's world is a serious place and young people are facing some of the biggest challenges of their lives gangs drugs bullying broken homes violence in the street Seeking to address these topics playwright Samuel Williams presents *When Men Don't Cry and Other Plays for Teens* the last in his four book series of plays Powerful and relevant these short dramatic works offer insight understanding and social commentary for today's youths their teachers and their families Educational as well as entertaining these plays shine a light on a troubled and often misunderstood generation Acted out on stage or read aloud in a group setting Williams easy to read tales look past teens tattoos piercings gang colors and sagging pants to find their humanity Ideal for schools and church groups parents and teens *When Men Don't Cry and Other Plays for Teens* explores a litany of experiences and seeks to positively change the fundamental way that people see today's youth and family dynamics

Jawa,2014-11-14 Sri Guru Granth Sahib is generally known as the holy scripture of Sikhism the world's fifth largest religion But this holy scripture is neither a storybook nor just the philosophy of the Sikh saints or prophets It is more like a collection of divine revelations and hymns expressing the feelings of love and devotion of the Sikh Gurus for the Supreme Being along with the similar yearnings and longings of the devotees and saints from all faiths prevalent in Indian subcontinent during those times The beauty of this 1430 page hymnal written in 22 different languages lies in the fact that while it spiritually connects the human mind to the original source of eternal bliss it provides a very practical and effective way to live in love and harmony with other fellow human beings irrespective of their faith color caste creed or race The following are a few

examples of the views of eminent writers and scholars regarding Sri Guru Granth Sahib Mankinds religious future may be obscure yet one thing can be foreseen The living higher religions are going to influence each other more than ever before in the days of increasing communications between all parts of the world and branches of the human race In this coming religious debate the Sikh religion and its scriptures the Sri Guru Granth Sahib will have something of special value to say to the rest of the world Arnold Toynbee Historian I have studied the scripture of great religions but I do not find elsewhere the same power of appeal to the heart and mind as I find here in these volumes of Sri Guru Granth Sahib There is something strangely modern about these scriptures They speak to the people of any religion or of none They speak for the human heart and the searching mind Mrs Pearl S Buck Nobel Laureate In Volume five of the It Is The Same Light series SGGS pages 801 1000 author Daljit Singh Jawa continues his humble effort to share the beauty of the SGGS with those who have limited familiarity with the language Gurumukhi history or context The following are some of the comments received on the volume 1 pages 1 200 of SGGS This translation of Guru Granth Sahib is one of the best English translations in my view as it is in simple understandable English each shabads summary message is given there is connection between the shabads to reveal continuity of thought process in Guru jis message Thanks to S Daljit Singh ji for the great work which will benefit future generations understand Guru Jis message easily Amarjit Singh M D University at Buffalo Buffalo NY A monumental undertaking reflecting a lifetime of devotion to the Sri Guru Granth Sahib and to the scholarly study of its voluminous texts Both its rendition of the original Gurmukhi script with accompanying English transliteration and its erudite commentary on each of the Granths many hymns mark this work as a stunning achievement which will benefit all serious students of the Sikh religion and of world religions in general Barry Crawford Ph D Washburn Univesity Topeka Kansas **The Contemporary Drama of France** Frank Wadleigh Chandler,1920 The Musical Times & Singing-class Circular ,1919 **Shakespeare's Problem Plays** William B.
