Training Guide For Deaconesses:

Deaconess Training Manual Larry A. Brookins, 2011-09-14 This is a training manual and workbook to be used in preparing women in the church for the work of a Deaconess

Women Deacons and Deaconesses Charles W. Deweese, 2005 Divided opinion on the topic of this book has caused controversy in Baptist history and life Most Baptist individuals and churches have strongly opposed women deacons Some Baptist associations have even disfellowshipped churches that have approved women deacons And women in general have been suppressed by many recent actions of the Southern Baptist Convention thereby affecting women deacons However thousands of Baptist churches include women in their deacon bodies and find that they make invaluable contributions The book presents arguments on both sides of the topic but lands squarely in support of women deacons

Faith to Follow Kate Meadows, 2020-11-24 While her husband pursued a four year Master of Divinity degree from Concordia Seminary in St Louis Kate Meadows wondered how she fit into the process of her husband becoming a pastor In the Lutheran Church Missouri Synod only men can be ordained as pastors The men who come to the seminary have a well paved road ahead of them The women who come with those men don't As women we ask ourselves Who am I in this process and Where do I fit Kate never envisioned herself as a pastor's wife in fact she wasn't sure she wanted to be one Yet if God was leading her husband into the ministry who was she to say No And what was it about that term pastor's wife that made her uneasy anyway What did it even mean to be a pastor's wife in the modern day At the seminary Kate started talking to other women who had faithfully followed their husbands on the path to ministry Through a series of more than fifty interviews she learned that the journey of becoming a pastor's wife is rich with questions discovery and joy Faith to Follow chronicles the woman's experience of preparing to become a pastor's wife It also may be a springboard for dialogue within churches across America

about the importance of encouraging and cultivating future church leaders and raising up strong families in the Christian faith **Deeper Joy**, 2005 **Silenced** Christy Mesaros-Winckles, 2023-09-25 In *Silenced The Forgotten Story of Progressive Era Free Methodist Women* Christy Mesaros Winckles delves into the gender debates within the Free Methodist Church of North America during the Progressive Era 1890 1920 This interdisciplinary work draws on narrative research and gender studies to reconstruct the lives of forgotten women who served as Free Methodist evangelists and deacons examining their writings and speeches to illustrate how they promoted and defended their ministries Mesaros Winckles argues that the history of Free Methodist women is a microcosm of the struggle for recognition and acceptance faced by women across numerous evangelical traditions especially amidst rising fundamentalism at the turn of the twentieth century This book provides an important contribution to the fields of American history theology media studies and gender studies and will also be of interest to rhetorical history and communication theory scholars **No Man's Land** Priscilla Pope-Levison, 2025-10-28 *No Man's Land* by Priscilla Pope Levison award winning author and former president of the Historical Society of the United Methodist Church and the Wesleyan Theological Society is a groundbreaking study of the international characteristics of a remarkable but largely forgotten women's movement of Methodist deaconesses Pope Levison has carefully curated archival resources vivid vignettes striking photos and intimate personal diaries to offer us not just a historical overview but an encounter with the women who left their homes in Australia Great Britain Canada continental Europe New Zealand the Philippines and the United States to don the black dresses distinctive bonnets and sturdy shoes of a burgeoning movement dedicated to serving those ground down by suffering sickness poverty and addiction This is not just any book It is an experience that captures the lost lives of women who visited in tenements waited on train platforms to welcome young boys and girls arriving alone who nursed and preached and taught and fed Deaconesses carved out a precarious existence in no man's land neither fully clergy nor fully laity that nonetheless galvanized an international network of Methodist women
