except for The Silver Sparrow Art of War which is available here for the first time This collection contains The Art of War This edition of Sun Tzu s text includes the classic collection of commentaries by eleven interpreters Mastering the Art of War Consisting of essays by two prominent statesmen generals of Han dynasty China Zhuge Liang and Liu Ji this book develops the strategies of Sun Tzu s classic into a complete handbook of organization and leadership It draws on episodes from Chinese history to show in concrete terms the proper use of Sun Tzu s principles The Silver Sparrow Art of War A version of Sun Tzu s Art of War based on a manuscript of the classic text discovered at a Chinese archeological site in China s Shandong Province in 1972 which contains previously unknown fragments Note The electronic edition of this book does not contain The Lost Art of War as seen in the paperback edition Understanding War Christian P. Potholm,2016-08-03 The third book in Professor Christian Potholm s war trilogy which includes Winning at War and War Wisdom Understanding War provides a most workable bibliography dealing with the vast literature on war and warfare As such it provides insights into over 3000 works on this overwhelmingly extensive material Understanding War is thus the most comprehensive annotated bibliography available today Moreover by dividing war material into eighteen overarching themes of analysis and fifty seminal topics and focusing on these Understanding War enables the reader to access and understand the broadest possible array of materials across both time and space beginning with the earliest forms of warfare and concluding with the contemporary situation Stimulating and thought provoking this volume is essential for an understanding of the breadth and depth of the vast scholarship dealing with war and warfare through human history and across cultures Martial Virtues Charles Hackney,2011-06-14 This martial arts books explores the role of martial philosophy and history in personal character development Martial Virtues explores the role of martial arts in character development It focuses on the spiritual aspects of martial arts training attempting to answer the question of what it means to be a good warrior In this ground breaking analysis Charles Hackney draws from the psychological literature on the development of positive character traits and from the lives and experiences of admirable warriors of fact and fiction He analyzes how the virtues of ancient and modern warriors can be developed by practicing the martial arts Using examples from the ancient Greeks to the samurai practitioners of bushido from Confucius to Bruce Lee Martial Virtues explores such qualities as courage wisdom justice and benevolence in turn employing the lessons of modern psychology to understand how these virtues can be cultivated within ourselves and others You will learn what Bruce Lee and Sun Tzu have to say about wisdom what Miyamoto Musashi has to say about audacity and courage and what Yagyu Munenori has to say about justice You will also learn the stories of many of history and literature s greatest warriors including Aeneas and Hector of Troy William the Marshal called the greatest knight who ever lived Kuo Chieh the Chinese Robin Hood the famous Shaolin master Tid Kiu Sam the 300 Spartans that turned aside a Persian Army at Thermopylae the 47 Ronin of Japan who revenged the unjust punishment of their master Korean General Kim Yu shin and Toshitsugu Takamatsu 33rd Grandmaster of Togakure Ryu Ninjutsu **Winter Raven** Adam

Baker,2016-09-26 One rogue Samurai will sacrifice everything apart from his honour Japan s warlords are on the march and nothing is as it appears After a failed assassination attempt on the Emperor an anonymous samurai is coerced into a suicide mission that will test his skills to the limit He must face this challenge for his young charge a girl who is the last remainder of his duty The samurai and the girl must journey to a far and impregnable mountain fortress fighting off threats and dangers on the way The girl knowing no other life hopes to learn all she can of the ways of the warrior But they do not travel alone The hunters are also the hunted In Winter Raven the first in an epic and engrossing historical series written in spare and precise prose we are transported to an incredible time and place in history Brutal tense and action packed Winter Raven is sure to appeal to readers of James Clavell Bernard Cornwell and Ben Kane

A Journey in Search of Wholeness and Meaning Rupert Clive Collister,2010 This book explores the concept that the reality which is created by the consciousness inherent in the Western worldview is exceptionally limiting and probably unsustainable After describing the contexts within which the book was written the author documents his personal journey in search of wholeness and meaning From his experience of this journey he suggests that the wisdom insight and praxis contained within what he describes as the meta narratives of Holism Indigenous cultures and Eastern traditions are manifestations of a holistic consciousness The author explores the concept that a shift to such a holistic consciousness is required in order to redress the imbalance that is evident in all humanity s relationships and he suggests that enabling such a shift in consciousness would have deep implications for the concepts and contexts of community adult learning meaningful work and sustainability

Martial Culture in the Lifeways of US Servicemembers and Veterans Nathan J. Hogan,2024-02-13 This book develops a new concept martial culture with which to problematize and reframe thinking surrounding the lifeways of US servicemembers by exploring the values beliefs norms and rituals they are exposed to and practice during military service By reuniting the two concepts of servicemember and veteran into one overarching cultural model the author shows how the concept of martial culture can be used to acknowledge the unbroken holistic multidimensional life cycle of an individual Adopting a comparative mythological approach and drawing upon Roman Navajo Hindu Norse and Japanese myths that speak to the lived experiences of servicemembers veterans and their families it weaves together ancient voices and contemporary servicemember experiential existences to offer new insight into the psychological experience of servicemembers It will be of strong interest to psychologists who seek to develop their treatment of veterans by understanding the unique lifeway of service without judgement and offering a balanced integrated spiritual connection while pushing back against both inaccurate assumptions of martial lifeways and the influences of industrialized secular approaches to service It will also appeal to those within the fields of military sociology and psychology
