

A small bird, possibly a European Robin, is perched on a weathered wooden post. The bird has a reddish-brown head and back, with a darker, almost black, eye. Its wings and tail are a mottled grey-brown. The background is a soft, out-of-focus landscape with green foliage and a hint of a body of water. The title 'vogels in friesland' is printed in a white, serif font across the bottom right of the image.
