Voices Of Angels Disaster Lessons From Katrina Nurses:

Voices of Angels Gail Tumulty, John R. Batty, 2015 As Hurricane Katrina barreled towards New Orleans Louisiana hospitals across the city prepared for the coming storm Staff members streamed in and began stockpiling food water medical supplies and fuel But what no one foresaw was that their emergency generators would flood and fail leaving hospitals stranded in the rising water with no air conditioning or much of their equipment and unable to evacuate patients and staff by land Throughout the devastating winds rising waters and August heat nurses stuck by their patients They improvised new emergency procedures and methods of record keeping and patient transport all without power or reliable information These angels saved lives while their world fell apart around them The individual voices of nurses come from six New Orleans area hospitals Veterans Affairs Pendleton Memorial Medical Center of Louisiana in New Orleans Charity Tulane Medical Center and Ochsner as well as Lambeth House retirement community and the Emergency Operations Center in Baton Rouge They speak to the vital importance and ingenuity of nurses under pressure This work examines the disaster plans used by each facility examines what the most successful procedures were and provides recommendations for preparing nurses for disaster response Voices of Angels is a case study and planning guide essential for facilities facing hurricanes tornadoes power outages and a host of other issues that affect medical centers nationwide

Words Whispered in Water, Anniversary Edition Sandy Rosenthal, 2025-08-26 The New Orleans Flood U S Corruption and Disasters Rosenthal employs the surgical precision of an investigative journalist and the craft of a memoirist to expose the flaws natural and human behind the devastation caused by Hurricane Katrina The Eric Hoffer Award Program 2020 Nautilus Silver Winner 1 New Release in Civil Engineering Environmental Urban City Planning Development and Disaster Relief In the aftermath of one of the worst disasters in US history Words Whispered in Water tells the story of one woman s fight against all odds to expose a mammoth federal agency and win It s a horror story a mystery and a David and Goliath story all in one In 2005 the entire world watched as a major US city was nearly wiped off the map The levees ruptured and New Orleans drowned But while newscasters attributed the New Orleans flood to natural catastrophes and other types of disasters citizen investigator Sandy Rosenthal set out to expose the true culprit and compel the media and government to tell the truth This is her story When the protective steel flood walls broke the Army Corps of Engineers with cooperation from big media turned the blame on natural disasters In the chaotic aftermath Rosenthal uncovers the US corruption and big media at its root Follow this New Orleans hero as she exposes the federal agency s egregious design errors and eventually changes the narrative surrounding the New Orleans flood In this engaging and revealing tale of man versus nature and man versus man Words Whispered in Water proves that the power of a single individual is alive and well If you enjoyed books like The Johnstown Flood Breach of Faith or The Great Deluge then Words Whispered in Water is your next read
