Every Boy I Ever Kissed Nellwyn Lampert,2019-07-27 A bold step toward

a new cultural narrative around sex Sex was supposed to be easy It was supposed to be fun liberating and empowering for a girl who d been brought up thinking the battle for sexual equality had been won But for Nellwyn Lampert losing her virginity would turn out to be anything but simple Whether she was being confronted with porn induced erectile dysfunction or other crises of masculinity nothing went according to plan in the bedroom Instead Nellwyn had to learn to navigate the realities of sexual liberation female empowerment and masculinity all on her own In this coming of age memoir Nellwyn looks back on her experiences with humour and insight to explore what true liberation and empowerment may look like for today s young women Her many unexpected adventures will prompt reflection on a bigger question What does it mean when our experiences fail to live up to who we think we should be as liberated postmodern women

Ivan McVeigh, 2013-08-13 The author of this book was addicted to Internet pornography for over ten years and reached a crisis point when he was arrested for viewing illegal images of children Having known for a number of years that his use of Internet pornography was out of control he set about seeking help firstly from a relevant charity and eventually from a top therapist To help further with his recovery the author felt that both he and his family needed to know as much about this addiction as possible and he set out to research the subject The amount of information he found was staggering in quantity but limited in variety Many of the existing books were long full of medical terms and packed with case studies which were of little relevance He found that it was frustrating that there was no single book that you could read quickly and which would give you all the information you needed to set you not only on the road to recovery but which would give you a good working understanding of the problems you are experiencing This book is the result of hundreds of hours of research which have been distilled into an easy to use publication which everyone can understand It can be read in 90 minutes and is suitable for people who believe they have an addiction or for
