Under Two Moons Louisa Locke, Mei Lin Yu a shy studious young woman from a Founding Family and Silence a fierce snowcat running with outlaws shouldn't have anything in common But on New Eden a world where the native Ddaerans have psychic abilities a world ruled by the Founders who fled a dying Earth anything is possible When Mei Lin is forced out of the comfortable refuge of Mynyddamore and confronted with a secret from the past that is very much alive will she be able to save herself and Silence to gain the trust of a man who has no reason to trust anyone from a Founding Family *Under Two Moons* a science fiction action adventure novel is the sequel to *Between Mountain and Sea* and is the second book in USA Today bestselling Louisa Locke's *Caelestis* series in the *Paradisi Chronicles* an open source science fiction series created by multiple authors

Mechanically Inclined Jeff Anderson, Lisa Thibodeaux, 2024-12-09 Some teachers love grammar and some hate it but nearly all struggle to find ways of making the mechanics of English meaningful to kids As a middle school teacher Jeff Anderson also discovered that his students were not grasping the basics and that it was preventing them from reaching their potential as writers Jeff readily admits I am not a grammarian nor am I punctilious about anything so he began researching and testing the ideas of scores of grammar experts in his classroom gradually finding successful ways of integrating grammar instruction into writer's workshop Just in time for its 20th anniversary this long awaited second edition of *Mechanically Inclined* continues to merge the best of writer's workshop elements with relevant theory about how and why skills should be

taught It connects theory about using grammar in context with practical instructional strategies explains why kids often don't understand or apply grammar and mechanics correctly focuses on attending to the high payoff or most common errors in student writing and shows how to carefully construct a workshop environment that can best support grammar and mechanics concepts In this new edition longtime colleague Lisa Thibodeaux joins Jeff in emphasizing four key elements for grammar instruction short daily instruction in grammar and mechanics within writer's workshop using high quality mentor texts to teach grammar and mechanics in context visual scaffolds including wall charts and visual cues that can be pasted into writer's notebooks regular short routines like express lane edits that help students spot and correct errors automatically

Comprising an overview of the research based context for grammar instruction a series of over forty detailed lessons updated research compelling new mentor texts and an appendix of helpful forms and instructional tools *Mechanically Inclined* is a boon to teachers regardless of their level of grammar phobia It shifts the negative rule plagued emphasis of much grammar instruction into one which celebrates the power and beauty these tools have in shaping all forms of writing
