Walking Across Egypt A Novel

Thomas Ærvold Bjerre, Beata Zawadka

Walking Across Egypt A Novel:

Walking Across Egypt Clyde Edgerton, 1987-01-01 Mattie Rigsbee seventy eight and set in her ways decides to help out Wesley Benfield a troubled adolescent just out of reform school for car theft *Walking Across Egypt* Clyde Edgerton, 1997-11-20 The Last Voyage of Columbus **Walking Across Egypt** Clyde Edgerton, 2003 **Walking Across Egypt** Clyde Edgerton, 1988 Mattie Rigsbee seventy eight and set in her ways decides to help out Wesley Benfield a troubled adolescent just out of reform school for car theft *The Scourges of the South? Essays on "The Sickly South" in History, Literature, and Popular Culture* Thomas Ærvold Bjerre, Beata Zawadka, 2014-10-17 In this book eleven scholars take their stand on the controversial issue of disease as it occurs in the context of the American South Playing on the popular vision of the South as an ill region on several levels the European and American contributors interpret various aspects of the regional sickly culture as not so much southern problems but rather southern opportunities or else springboards to yet another of the South's cultural revitalizations health As Thomas Ærvold Bjerre and Beata Zawadka note in their introduction the so called Healthy South has never been an easy topic for scholars dealing with the region One reason for this is that researchers have been taught to approach so formulated a topic no further than to the point when it turns out it is a contradiction in terms and indeed there is much in southern history and the present situation that justifies such an approach This volume however comprises a collective effort of southernist historians literature experts and culture critics to transcend the contradictory concept of the Healthy South and does so by reinventing the notion of the southern disease and consequently the role of the South as a scourge in American culture in terms of this culture's bountiful gift The Christ-Haunted Landscape Susan Ketchin, 2009-11-12 Here are Susan Ketchin's discerning interviews with twelve southerners living and writing in the South and along with a piece of fiction by each are her penetrating commentaries about the impact of southern religious experience on their work A little more than a generation ago Flannery O'Connor made a startling observation about herself and her fellow southerners By and large she said people in the South still conceive of humanity in theological terms While the South is hardly Christ centered it is most certainly Christ haunted The southerner who isn't convinced of it is very much afraid that he may have been formed in the image and likeness of God Guided by O'Connor's perceptive commentary about southerners in general Susan Ketchin has created a deeply revealing collection that mirrors the pervasive role of religion in the literature by the recent generation of notable southern writers Ketchin confirms that old time religion remains a potent force in the literature of the contemporary South **Reading, Learning, Teaching Clyde Edgerton** Yvonne Mason, 2009 This is an introduction to the literature of contemporary American writer Clyde Edgerton A North Carolina native Edgerton has been compared to Mark Twain for his easy humorous style which is based in oral tradition Like Twain and other humorous writers Edgerton's work often contains both biting satire and exploration of very large questions about the human condition The book contains an overview of each of his novels and his memoir in addition to offering critical commentary on theme craft

and structure Pedagogical support is offered with specific strategies that will encourage authentic engagement and learning Teachers will find specific companion pieces of literature for introducing Edgerton s vivid and challenging work This book presents the case for including more of Clyde Edgerton s work in our secondary and college English language arts classrooms as a means of revitalizing curricula and challenging the ways we traditionally think about teaching
