Walking Like Jesus Did Studies In The Character Of Christ:

Walking Like Jesus Did Larry E. McCall, 2005 In these chapters we will focus on certain character traits Jesus demonstrated during His earthly ministry We will also explore explicit biblical commands to mirror those character traits of Jesus in our daily lives Introduction p 2 Getting Back on Track Jo-Anna Culy, 2016-12-05 Imagine a church where many of the needs of younger women are being met by trained older women It would not be a problem free church but it would be a healthy church where pastors are free to focus on their biblical responsibilities Although younger women need the guidance of godly older women more than ever older women remain the most untapped resource in the church today Some feel dispensable undervalued or overlooked Many simply don't understand the role God calls them to have with younger women or know how to fulfill it Getting Back on Track is an invitation to discover from Scripture what the role of the biblical mentor is and how God wants to use older women to help move younger women toward maturity in Christ It is solidly grounded in Scripture from beginning to end and is written for the older woman church leader or younger woman who aspires to be a godly older woman someday Walking Like Jesus Dr Larry McCall, 2022-02 Mirroring the character of Jesus should be the normal pattern of life for a Christian says author Larry McCall In Walking Like Jesus he explains 14 character traits of Jesus life and he explains how those traits can and should be reflected in the daily lives of Jesus followers **Studies in the Gospel of Mark** William J. Another Miraculous Meal Section 44 The Grieved Servant of Jehovah Section 45 Dim Vision Made Clear Section 46 Jehovah's Anointed Servant disowned **Where Are You?** John Paterson, 2019-03-20 In our postmodern world where the individual self is the centre of the universe and God seems at best to be weak and irrelevant have you ever wondered where you are Often when I ponder what's going on in the world around me and in the relationships between me and others and then go deeper inside of myself than what is going on at the surface of my life I get a sense of something significant deep within me but it's not me so I wonder what it is Do you have that sense By the way if I am the centre of the universe where does that leave you off centre As a hydrographic surveyor in the Australian navy for nearly thirty years I often found myself in uncharted waters searching for the unknown so as to make it known What really gave me a sense of confidence was being able to know exactly where I was at all times founded on three known measuring marks each accurately fixed according to an established datum Since I am now searching in a different way yet often still in uncharted waters and at a really deep level like C S Lewis and others before me I want to find the something that I just know is there because I know that when I do I will know more about who I am and where I am in this life But I will need known marks and an established datum because without them I am unreferenced You see there's more to me than you can see and I know that is true about you too If you want to go on a search for something come surveying with me Maybe this book will help you understand where you are
