Ihab Saloul, Jan Willem Henten

Walls Of Freedom Street Art Of The Egyptian Revolution:

Walls of Freedom Basma Hamdy, 2013 A powerful portrayal of the Egyptian Revolution telling the story with striking images of art that turned Egypt's walls into a visual testimony of bravery and resistance Even the army tanks that rolled onto Tahrir Square were immediately adorned with graffiti This survey of current Egyptian street art looks at the most influential artists who have made their iconic marks on the streets Spanning Cairo Alexandria and Luxor this is a document of the volatile and fast shifting political situation there Since the start of the Arab revolution the Middle East has seen an unparalleled explosion of graffiti With contributions by experts in the fields of typography graphic design sociology and Egyptology These images of the revolution taken by acclaimed photographers and activists places the graffiti of the revolution in a broader context and examines the historical socio political and cultural backgrounds which have shaped the movement

Street Art in the Middle East Sabrina de Turk, 2019-06-27 Since the 2011 Arab Spring street art has been a vehicle for political discourse in the Middle East and has generated much discussion in both the popular media and academia Yet this conversation has generalised street art and identified it as a singular form with identical styles and objectives throughout the region Street art's purpose is however defined by the socio cultural circumstances of its production Middle Eastern artists thus adopt distinctive methods in creating their individual work and responding to their individual environments Here in this new book Sabrina De Turk employs rigorous visual analysis to explore the diversity of Middle Eastern street art and uses case studies of countries as varied as Egypt Tunisia Lebanon Palestine Bahrain and Oman to illustrate how geographic specifics impact upon its function and aesthetic Her book will be of significant interest to scholars specialising in art from the Middle East and North Africa and those who bring an interdisciplinary perspective to Middle East studies

Dignity in the Egyptian Revolution Zaynab El Bernoussi, 2021-07-01 Dignity or karama in Arabic is a nebulous concept that challenges us to reflect on issues such as identity human rights and faith During the Arab uprisings of 2010 and 2011 Egyptians that participated in these uprisings frequently used the concept of dignity as a way to underscore their opposition to the Mubarak regime Protesting against the indignity of the poverty lack of freedom and social justice the idea of karama gained salience in Egyptian cinema popular literature street art music social media and protest banners slogans and literature Based on interviews with participants in the 2011 protests and analysis of the art forms that emerged during protests Zaynab El Bernoussi explores understandings of the concept of dignity showing how protestors conceived of this concept in their organisation of protest and uprising and their memories of karama in the aftermath of the protests revisiting these claims in the years subsequent to the uprising

Martyrdom Ihab Saloul, Jan Willem Henten, 2025-10-01 The phenomenon of martyrdom is more than 2000 years old but as contemporary events show still very much alive Martyrdom Canonisation Contestation and Afterlives examines the canonisation contestation and afterlives of martyrdom and connects these with cross cultural acts and practices of remembrance Martyrdom appeals to the imagination of many because it is a highly ambiguous spectacle with thrilling deadly consequences Imagination is thus a vital catalyst for martyrdom for martyrs become martyrs only because others remember and honour them as such This memorialisation occurs through rituals and documents that incorporate and re interpret traditions deriving from canonical texts The canonisation of martyrdom generally occurs in one of two ways First through ritual commemoration by communities of inside readers listeners viewers and participants who create and recycle texts re interpreting them until the martyrs ultimately receive a canonical status or second through commemoration as a means of contestation by competing communities who perceive these same people as traitors or terrorists By adopting an interdisciplinary orientation and a cross cultural approach this book goes beyond both the insider admiration of martyrs and the partisan rejection of martyrdoms and concisely synthesises key interpretive questions and themes that broach the canonised unstable and contested representations of martyrdom as well as their analytical connections divergences and afterlives in the present

Graffiti and Street Art Konstantinos Avramidis, Myrto Tsilimpounidi, 2016-12-08 Graffiti and street art images are ubiquitous and they enjoy a very special place in collective imaginary due to their ambiguous nature Sometimes enigmatic in meaning often stylistically crude and aesthetically aggressive yet always visually arresting they fill our field of vision with texts and images that no one can escape As they take place on surfaces and travel through various channels they provide viewers an entry point to the subtext of the cities we live in while questioning how we read write and represent them This book is structured around these three distinct albeit by definition interwoven key frames The contributors of this volume critically investigate underexplored urban contexts in which graffiti and street art appear shed light on previously unexamined aspects of these practices and introduce innovative methodologies regarding the treatment of these images Throughout the focus is on the relationship of graffiti and street art with urban space and the various manifestations of these idiosyncratic meetings In this book the emphasis is shifted from what the physical texts say to what these practices and their produced images do in different contexts All

chapters are original and come from experts in various fields such as Architecture Urban Studies Sociology Criminology Anthropology and Visual Cultures as well as scholars that transcend traditional disciplinary frameworks This exciting new collection is essential reading for advanced undergraduates as well as postgraduates and academics interested in the subject matter It is also accessible to a non academic audience such as art practitioners and policymakers alike or anyone keen on deepening their knowledge on how graffiti and street art affect the ways urban environments are experienced understood and envisioned

Re-Configurations Rachid Ouassa, Friederike Pannewick, Alena Strohmaier, 2020-10-13 This edited volume is an open access title and assembles both the historical consciousness and transformation of the MENA region in various disciplinary and topical facets At the same time it aims to go beyond the MENA region contributing to critical debates on area studies while pointing out transregional and cultural references in a broad and comparative manner

Revolutionary Egypt Reem Abou-El-Fadl, 2015-06-05 In 2011 the world watched as Egyptians rose up against a dictator Observers marveled at this sudden rupture and honed in on the heroes of Tahrir Square Revolutionary Egypt analyzes this tumultuous period from multiple perspectives bringing together experts on the Middle East from disciplines as diverse as political economy comparative politics and social anthropology Drawing on primary research conducted in Egypt and across the world this book analyzes the foundations and future of Egypt's revolution Considering the revolution as a process it looks back over decades of popular resistance to state practices and predicts the waves still to come It also confidently places Egypt's revolutionary process in its regional and international contexts considering popular contestation of foreign policy trends as well as the reactions of external actors It draws connections between Egyptians' struggles against domestic despotism and their reactions to regional and international processes such as economic liberalization Euro American interventionism and similar struggles further afield Revolutionary Egypt is an essential resource for scholars and students of social movements and revolution comparative politics and Middle East politics in particular Middle East foreign policy and international relations

Arabic Glitch Laila Shereen Sakr, 2023-07-18 Arabic Glitch explores an alternative origin story of twenty first century technological innovation in digital politics one centered on the Middle East and the 2011 Arab uprisings Developed from an archive of social media data collected over the decades following the 2003 U S invasion of Iraq this book interrogates how the logic of programming technology influences and shapes social movements Engaging revolutionary politics Arab media and digital practice in form method and content Laila Shereen Sakr formulates a media theory that advances the concept of the glitch as a disruptive media affordance She employs data analytics to analyze tweets posts and blogs to describe the political culture of social media and performs the results under the guise of the Arabic speaking cyborg VJ Um Amel Playing with multiple voices that span across the virtual and the real Sakr argues that there is no longer a divide between the virtual and embodied both bodies and data are physically socially and energetically actual Are we cyborgs or citizens or both This book teaches us how a region under transformation became a vanguard for new thinking about digital
