original Senators left for Minnesota in 1960 and the expansion Senators of the 1960s relocated the city was left without a professional baseball team While many feared that baseball in D C was over a spirit remained on the diamond and is still felt today as children and adults team up in one way or another to play the national pastime in the nation s capital Hopes for a new professional team linger and those remembering baseball s heyday will enjoy this extensive and unusual collection of historic photos that celebrate a time when the crowds roared and Washingtonians believed that the summer game would never end

What Makes an Elite Pitcher? Warren N. Wilbert, 2010-07-27 Elite baseball pitchers are elite for a reason They seem to have it all a variety of pitches that no one can lay a bat to cool heads and confidence in their stuff when they get in a jam and the kind of dexterity that makes difficult plays seem easy Is elite status revealed through statistics Though the author of this book considers statistics of both the traditional and sabermetric sort he argues that the greats are proved not by broad statistical comparison with all other pitchers but by their record against one another In a thoughtful discussion of the evidence of head to head matchups he finds the nine pitchers who make up the true elite Cy Young Christy Mathewson Walter Johnson Grover Alexander Lefty Grove Warren Spahn Tom Seaver Roger Clemens and Greg Maddux For each pitcher the book provides biographical information career highlights and a list of the feats that put him in the record books
