Vlad III Dracula The Life And Times Of The Historical Dracula:

Vlad III Dracula Kurt Treptow,2022-07-01 The fifteenth century Romanian Prince Vlad III Dracula also known as Vlad the Impaler is one of the most fascinating personalities of medieval history Already during his own lifetime his true story became obscured by a veil of myths As a result he has been portrayed both as a bloody tyrant who degenerated down throughout the centuries into the fictional vampire of the same name created by Bram Stoker at the end of the nineteenth century and as a national and Christian hero who bravely fought to defend his native land and all of Europe against the invading Turkish infidels Even in more recent historiography the true history of Dracula has been obscured by Communist and nationalist historiography

Vlad III Dracula Kurt Treptow,2020-01-31 This book studies the life and times of Vlad III Dracula also known as Vlad the Impaler providing the reader with a better understanding of the personality of this enigmatic figure of medieval history as well as the times in which he lived

Vlad the Impaler Hourly History,2016-10-03 The character Count Dracula is well known throughout the world He is a dark seductive pale man wearing a cape His gaze is quite literally captivating and he has the strength of ten men The story written by Bram Stoker in 1897 has been retold hundreds of times but is there a historical figure upon whom the character is based Is there really a Dracula Many scholars argue that Vlad III Dracula also known as Vlad the Impaler is the real Dracula He was known in western Europe for his cruelty most especially his penchant for impaling his victims He is said to have killed somewhere between 40 000 and 100 000 people during his crusade to stop the Ottoman Empire from expanding into eastern Europe He was equally harsh on the people he ruled and is said to have taken great pleasure in torturing his victims Inside you will read about Vlad s early life and family Rise to power Vlad s first reign War with the Ottomans Vlad s main reign Vlad s imprisonment third reign and death Vlad Dracula s legacy Vlad the Impaler in fiction Count Dracula His story however is much more complicated than the oft reported details of his atrocities would imply He lived in a time of conflict where many were equally as cruel and he is viewed as a hero in Romania where he is remembered as a protector of his people This eBook tells the story of his life and times and discusses his connection to the fictional Count Dracula in a succinct compelling manner which makes for an entertaining read that is packed with historical information

My Vladislaus Dracula Teresa L. Jones,2010-04 When the name Dracula is spoken what image comes into your mind Do you think of a bloodthirsty monster made up by an Irish story teller who never stepped foot on Romanian soil Or do you think of a legendary fifteenth century hero of Romania who risked his life and fought courageously to take on the Ottoman empire to protect his land his people all of Europe and all of Christianity Since the age of 13 Amelia Justine Kari had a quest Her quest was to one day take a trip to the beautiful lands of Romania in search of the truth behind the mystery s of the real Prince Dracula Once on Romanian soil Amelia would find other forces already at work in search of her Because of her career choice as a medical technician and her overwhelming fascination with the green eyed black haired man called Prince Vladislaus Dracula Amelia was always misunderstood But what if Vlad Dracula was also

misunderstood What if the pamphlets and documents written about him were only made up to control him use his power and condemn him to prison Amelia was determined to find the truth but she d have to search deep in her soul to find all the answers *Dracula* Kurt W. Treptow,1991 A collection of 14 scholarly papers on the life and times of the historical Dracula This impressive research deserves much better than the wretched package containing it The book production Romanian is by far the worst we ve seen in decades Acidic paper is the least of the book s blemishes Annotation copyrighted by Book News Inc Portland OR *The Dracula Dilemma* Duncan Light,2016-03-23 For many in the West Romania is synonymous with Count Dracula Since the publication of Bram Stoker s famous novel in 1897 Transylvania and by extension Romania has become inseparable in the Western imagination with Dracula vampires and the supernatural Moreover since the late 1960s Western tourists have travelled to Transylvania on their own searches for the literary and supernatural roots of the Dracula myth Such Dracula tourism presents Romania with a dilemma On one hand Dracula is Romania s unique selling point and has considerable potential to be exploited for economic gain On the other hand the whole notion of vampires and the supernatural is starkly at odds with Romania s self image as a modern developed European state This book examines the way that Romania has negotiated Dracula tourism over the past four decades During the communist period up to 1989 the Romanian state did almost nothing to encourage such tourism but reluctantly tolerated it However some discrete local initiatives were developed to cater for Dracula enthusiasts that operated at the margins of legality in a communist state In the post communist period after 1989 any attempt to censor Dracula has disappeared and the private sector in Romania has been swift to exploit the commercial possibilities of the Count However the Romanian state remains ambivalent about Dracula and continues to be reluctant to encourage or promote Dracula tourism As such Romania s dilemma with Dracula remains unresolved **Dracula** Marius-Mircea Crişan,2017-11-11 This volume analyses the role of Bram Stoker s *Dracula* and its sequels in the evolution of the Gothic As well as the transformation of the Gothic location from castles cemeteries and churches to the modern urban gothic this volume explores the evolution of the undead considering a range of media from the 19th century protagonist to sympathetic contemporary vampires of teen Gothic Based on an interdisciplinary approach literature tourism and film the book argues that the development of the Dracula myth is the result of complex international influences and cultural interactions Offering a multifarious perspective this volume is a reference work that will be useful to both academic and general readers *Hollywood's White House* Peter C. Rollins,John E. O'Connor,2005-02-01 From action flicks to biopics to SNL skits how presidents are portrayed on screen An interesting study of the real presidency and the reel presidency USA Today Magazine Winner of the Popular Culture Association s Ray and Pat Browne Book Award Whether serious or satirical biographical or fictional the ways that US presidents are depicted in popular culture reveal much about us as a nation The contributors to *Hollywood s White House* examine the historical accuracy of presidential depictions illuminate their influence and uncover how they reflect the concerns of their times and the social and political visions of the
