

A vibrant, isometric illustration of a VMware lab setup. At the top, a network of dashed white lines connects various icons: two blue clouds, three orange circles, and two pink gears. In the center, the text "VMWARE LAB SETUP" is displayed in large, bold, multi-colored letters with a black outline. Below the text, on the left, is a desktop computer with two monitors; the left monitor shows a waveform graph, and the right monitor shows the text "GIBB". To the right of the computer are three server racks of increasing size, each with a glowing yellow light on its front panel. The entire scene is set against a dark blue background with a grid of dashed white lines and colorful lines connecting the components.
