Wacky Laws, Weird Decisions & Strange Statutes, 2004 **Wacky Laws, Weird Decisions, & Strange Statutes**

Sheryl Lindsell-Roberts, K. R. Hobbie, Ted LeValliant, Marcel Theroux, 2007-02 Presents a collection of silly laws ridiculous court decisions and strange government statutes that in many cases are still on the books The United States of Strange Eric Grzymkowski, 2012-06-18 Life Liberty and the Pursuit of All Things Weird Sure you probably know that George Washington was our first president and that Christopher Columbus accidentally discovered America in 1492 but did you know that there are more plastic flamingos in the United States than there are real ones and that Disneyland employees were not permitted to wear their own underwear while dressing in character until 2001 Behind the portrait of America that history classes news reports and boring documentaries have painted lies a strange and perplexing country that you couldn't imagine even in your wildest dreams Featuring 1 001 shocking facts this book reveals all the secrets and weirdness that you never knew about the United States From the thirty two bathrooms in the White House to the fact that a single U S made hamburger may contain meat from 100 different cows these wacky tidbits will guarantee that you'll never look at this nation the same way again Book of Legal Stuff Joanne O'Sullivan, 2010 The law can be scary the law can be lenient or cruel and at times the law can just be downright unbelievably wacky Be assured every statute in this entertaining and illustrated compendium is absolutely real They come from down the block and around the world and they prevent us from no nos like eating pies baked by grandmothers in non certified kitchens accidentally getting a glimpse of a sweaty naked person through a window and being subjected postmortem to the tacky taste of any loved one who would dare put plastic flowers on our graves instead of fresh ones The jaw dropping regulations cover animals no licking hallucinogenic toads in Missouri transportation do not run out of gas on Germany's super speedy autobahns public decorum kissing and hugging in public forbidden in Kuala Lumpur Malaysia but in India it will just get you fined house rules no flushing after 10PM in a certain Swiss apartment building food only certain pizzas in Italy can be called Margheritas and much much more And the best place to get a job Portugal because you can't be fired One thing that's absolutely allowed laughing hard and long at these laws

Attack of the Killer Facts! Eric Gryzymkowski,2011-04-18 Factoid Attack Inherent sadistic streak in dentists confirmed The electric chair was invented by a dentist Dr Alfred Southwick Not surprising dentists have been perfecting torture devices for centuries Factoid Attack Galaxy at risk Intelligent life in short supply In 1961 Astronomer Frank Drake estimated the number of probable intelligent civilizations inhabiting our galaxy Using conservative numbers that estimate came to 10 000 Unfortunately we are not included in that total Factoid Attack Colorblind bulls hate all matadors equally The color of a matador s cape or muleta is traditionally red which is widely believed to irritate the bull In reality bulls are colorblind so it is irrelevant what color cape a matador uses to antagonize them Shot in the dark but maybe it s the being stabbed with swords bit that pisses them off Forget Fringe Warehouse 13 and The X Files In this book you ll find more weird and wacko truths than in all those combined From golden poison dart frogs with enough venom to kill ten grown humans to cockroaches that can survive radiation 15 times stronger than what kills people scary and strange just got scarier and stranger

Unusual Laws Explained Corbin Shepherd,AI,2025-03-31 Unusual Laws Explained explores the peculiar world of antiquated legislation still in effect today offering insights into the historical and political forces that shaped them These seemingly bizarre laws such as restrictions on wearing camouflage or peculiar economic regulations provide a unique lens through which to understand evolving social norms and the complexities of legal systems across the globe By examining these historical laws the book reveals how specific events and cultural beliefs have shaped legal frameworks often with lasting consequences The book progresses logically beginning with an introduction to legal history and then exploring laws related to public order economic regulations and morality For instance seemingly odd restrictions on personal freedoms or religious practices reflect the ongoing tension between individual liberty and societal control The book argues that these legal oddities are valuable artifacts illuminating societal development prompting critical thinking about the necessity and reform of laws in modern society Through a global perspective Unusual Laws Explained avoids legal jargon and presents legal history in an accessible manner using historical records and expert opinions to support its claims This approach makes the book a valuable resource for anyone interested in history politics or the stranger side of legal history encouraging a deeper understanding of legal reform and social justice

Illuminate Steve Baney, M. Div.,2013-11-30 You are the light of the world Do you believe it Can you see evidence of it in your life Perhaps a better question would be Can others We understand that life here is frustrating broken and confusing because we live in a system that is opposite to our LORD In place of frustration we can have complete joy Instead of our brokenness we can be set free from sin And our confusion can be

replaced by eternal truth This book will explore explain and employ the Word of God specifically 1 John bringing it to life in you This is an interactive book including activities designed to be done individually or in a small group Each chapter ends with discussion questions You ll need a Bible in hand while you read this book Enjoy the humor straight talk and clear illustrations to apply timeless truth to your life *Cruel and Unusual* Michael Meltsner, 2011-07-23 The true and gripping account of the nine year struggle by a small band of lawyers to abolish the death penalty in the United States Its new edition features a 2011 Foreword by death penalty author Evan Mandery of CUNY s John Jay College of Criminal Justice as well as a new Preface by the author The mission plotted out over lunch in New York s Central Park in the early 1960s seemed as impossible as going to the moon abolish capital punishment in every state The approach would fight on multiple fronts with multiple strategies The people would be dedicated bright unsure unpopular and fascinating This is their story not only the cases and the arguments before courts the death row inmates and their victims the judges and politicians urging law and order this is the true account of the real life lawyers from the inside The United States indeed went to the moon and a few years later the U S Supreme Court ruled the death penalty unconstitutional The victory was long sought and sweet and the pages of this book vividly let the reader live the struggle and the victory And while the abolition eventually became as impermanent as the nation s presence on the moon these dedicated attorneys certainly made a difference This is their tale As Evan Mandery writes in his new Foreword In these pages Meltsner lays bare every aspect of his and his colleagues thinking You will read how they handicapped their chances which arguments they thought would work you may be surprised and what they thought of the Supreme Court justices who would decide the crucial cases You will come to understand what they perceived to be the basis for support for the death penalty and with Meltsner s unflinching honesty what they perceived to be the inconsistencies in their position Mandery concludes It is my odd lot in life to have read almost every major book ever written about the death penalty in America This is the best and the most important Every serious scholar who wants to advance an argument about capital punishment in the United States whether it is abolitionist or in favor of the death penalty or merely a tactical assessment cites this book It is open and supremely accessible And the author s constitutional vision was years ahead of its time His book is timeless Part of the Legal History and Biography Series from Quid Pro Books the new ebook editions feature embedded pagination from previous editions consistent with the new paperback edition as well allowing continuity in all formats active TOC and endnotes and quality digital formatting
