she was with a child About eight months later she has Little Silver which was what everyone called him but Buck The boy spent time with both grandfathers He learned both worlds the one of the Indians and that of the white mans Buck thought that his son would turn out to be a very good man because he knew and understood both worlds Buck let Foster run the mine and he and his father operated the ranch Life was good for the Taylor family and the town of Durango This was when Red Bird said she was going to have another child They had a little daughter this time During the four years that have passed Buck had had a dream three times In this dream he is riding up to a ranch house and he sees a woman with long black hair with a four year old boy on her right and a two year old girl on her left One day Buck was riding up to the house at sundown and there on the front porch was Red Bird and to her right was Little Silver and to her left is their two year old daughter He thought to himself that yes dreams can come true
