Waking up in the Wrong Body Tommy Gilbert, 2012-12-03 I am writing this book to clear up a few misunderstandings and wrong beliefs about the dual sexuality beings community which you call the gay community And that is it is not their personal choice to be different it is just who they are Secondly dual sexuality beings are born with an unknown but coming disorder which is called the dual sexuality genetic disorder Third and most importantly this book is also a wakeup call to all people both heterosexual and dual sexuality people to open their minds to new and different ideas to get out of the old negative ways of thinking that you have been taught through your life so that you can free your spirit My main subject in this book is talking about the dual sexuality beings community The most important message to be found is that we need to love and respect each other as human beings and learn to respect each other because God created us different not to despise each other but to love each other
