also at work Dani and Tommy suspect there s more to the mystery than murder more to their growing friendship than chance and more to the evil they re facing than a mere human killer **Waking Hours** Lis Wiehl,Peter Nelson,2011-10-04 All towns have secrets Some have demons Welcome to East Salem A sleepy town with a history older than America where things are just a bit off Where the supernatural bleeds into the everyday And where a tragic murder mystery is underway A high school girl is found dead in the town park And where forensic psychiatrist Dani Harris wants answers All the suspects are teenagers who were at the party with her the night before but who woke up the next morning with no memory of what transpired Even though evidence confirms they were all at the scene of the crime Former pro football linebacker and local celebrity Tommy Gunderson finds himself drawn to the case And to Dani who he last spoke with on their one high school date forever ago Yet his celebrity status opens doors barred to Dani so they form an awkward alliance They soon realize that there s more to the mystery than murder And more to the evil they are facing than a mere human killer The supernatural series awakens this fall with an official street date of October 4 2011 **Fatal Tide** Lis Wiehl,Pete Nelson,2013-09-24 In East Salem the elite St Adrian s Academy is at the nexus of a satanic apocalypse and the fatal tide is rising When Hieronymus Bosch s Garden of Earthly Delights is reunited with the pagans who commissioned it a dark prophecy begins to unfold in East Salem beginning with a savage double murder by hellish creatures straight out of the painting itself The lone survivor of the attack a seventeen year old Brit finds sanctuary at Tommy Gunderson s home and the place is soon surrounded by demons who seem to be biding their time but for how long Tommy s pond has been contaminated with Provivilan an insidious drug that could transform New York City s children into an army of violence addicted murderers But for an occult cabal in the upper echelons of Linz Pharmaceuticals contaminating the water supply is just part of an ancient conspiracy against all of humankind As the clouds gather Tommy and Dani realize they must infiltrate Linz and St Adrian s to stop the dissemination of Provivilan Even then it could take a tangible eruption of the battle between angels and demons to save humanity from the supernatural evils that have been summoned to East Salem **Lethal Beauty** Lis Wiehl,April Henry,2015-03-10 It should have been an open and shut murder case but Mia Quinn finds out nothing about it is simple After a young Chinese prostitute is stabbed to death by her rich American client the tabloids dub Dandan Yee Lethal Beauty despite the fact that she was the one who ended up dead Yet even with double standards and naked prejudice working against her Seattle prosecutor Mia Quinn is determined to get justice for Dandan Yee But when a key witness goes missing and an unsavory juror shuts down deliberations without explanation Mia fears the trial and the law are being tampered with A constellation of fresh killings has Mia and homicide detective Charlie Carlson searching for a common source and puts Mia s family in the crosshairs of a Chinese crime cabal Meanwhile Dandan Yee s mother has opted to take matters into her own hands and the stakes get more lethal overnight In the midst of all this Mia has to contend with a fifteen year old son who is growing up too fast for his own good and the idea that Charlie might want to be more than just friends Can Mia and Charlie stop the murders and still keep
