Walk Deuteronomy A Messianic Jewish Devotional Commentary:

Walk Deuteronomy! Jeffrey Enoch Feinberg, Messianic Jewish Publishers, 2003 Following the popular user friendly Walk series format each section includes an overview a short Hebrew lesson for the beginner key biblical concepts and practical applications Hear the words of Moses learn from past wanderings and prepare to claim your inheritance A daily devotional and Bible study tool 231 pages *Finding Freedom* Donna J. Stundahl, 2015-01-29 Do you ever feel like youre wandering in a wilderness alone Are you searching for the same freedom the children of Israel sought only to find oppression at every turn Are you looking for a life filled with promise only to be repeatedly disappointed You are not alone We are all on a journey from slavery to sin to the ultimate Promised Land in Heaven where we will be free Everything in between is a wilderness experience Moses expounded on freedom in the wilderness He explained exactly where to find it and how to get there He clearly spoke to the Jew and the foreigner The question is Does He speak to the Christian as well In her book Finding Freedom Dr Stundahl will wander through the wilderness of Deuteronomy and explore the Hebraic roots of Christianity Finding Freedom reveals the concepts of the Torah assembled in the same format in which they were studied by the Jewish communities since the Babylonian exile These concepts include humility idolatry evil speech teaching learning remembering and listening The analysis of each portion of the Torah considers its applicability to the life of a Christian As the history of Christianity and the Jewish elements of the Gospel are discovered the shadows of Jesus Christ are revealed Wherever you are in the wilderness of your life you too can find the freedom intended just for you Experience the reading the writing and the dance of the Torah **The Forgotten Jesus** Robby Gallaty, 2017-04-04 We have lost an essential understanding of Jesus his Jewishness Through the years our understanding of Jesus has been shaped by different cultural influences and many Western Christians have formed an inaccurate perspective of Jesus and his teachings beliefs and ways of acting In Robby Gallaty s deeply reformatory book he reveals the essential Hebraic culture customs and nuances many Christians have forgotten or never learned And he argues that as long as Jesus s Jewish context is misplaced and misunderstood our understanding of the Bible our faith and the church falls far short The Forgotten Jesus will open your eyes to The first century world in which Jesus lived and its connection to the time of the Old Testament The vast differences between the Western and Middle Eastern mind and how our modern approach to understanding the Bible is influenced far more by the Greeks and Romans than by a Hebrew way of thinking Essential textual connections between the parts of the Bible that we often overlook Important Hebraic perspectives on the Messiah to point out some errors many Christians have believed through the years Why Jesus s words on the cross about God forsaking him may have deeper meaning than we realize By uncovering the teaching of the first and second century rabbis and Christian theologians and highlighting little known Jewish idioms and traditions Gallaty takes Christians on a biblical journey to rediscover a forgotten Jesus from a biblical perspective deepening your relationship with God *Forthcoming Books* Rose Army, 2002 [Walk Numbers!](#) Jeffrey Enoch Feinberg, 2002 Wander through the

wilderness with the children of Israel You can stand up to be counted in the census of God's army or accept a special priestly task Join the march as we break camp and move out from Sinai Then learn to trust God rather than spies who fear giants Rebellion and complaints set us back but the Land of Promise lies ahead Though destroyers curse us the LORD will bless us How lovely are your tents O Jacob your dwelling places Israel After thirty eight years we camp by the Jordan ready for Moses final words

Walk! Set Jeffrey Enoch Feinberg, Kim Alan Moudy, 2003-06 Your spiritual journey takes you from Eden to the Promised Land Share the experiences of the Israelites as they go from bondage to freedom Learn to trust God along the way Finally get ready to cross the Jordan and enter the Land of Promise These commentaries follow the weekly Torah Pentateuch readings with parallel passages from the Haftarah Prophets and Brit Chadashah New Covenant include brief Hebrew lessons for the beginner as well as key biblical concepts emphasize traditional Jewish and Messianic interpretation that focuses on personal application help you relate the ancient Scriptures to your daily walk make great Bible study and devotional tools Included in this popular set of books are Walk Genesis Walk Exodus Walk Leviticus Walk Numbers and Walk Deuteronomy

Messianic Torah with Commentary... Plus! Gary Gardner, 2017-07-27 The Messianic Torah with Commentary Plus MTC is a Chumash with each parasha marked and a hyperlink to the Haftarah which is located in the end notes The Plus is the addition of the book of Matthew The MTC includes links to passages in the NT and TaNaK and was compiled with the follower of Yeshua in mind All Hebrew words used in the notes have definitions and transliterations The MTC is not made to be a reference but more of an everyday reader In the MTC we have tried to explore the Jewish culture and world in which the words were written to help the student understand and apply them to modern life The text of the MTC is taken from a modified public domain American Standard version The new edition of the MTC includes several new features

The first and most obvious is the addition of the book of Matthew from the 1st century CE Jewish book the New Testament NT also known as the Apostolic Scriptures Matthew is added after the book of Deuteronomy The comments in Matthew are a little more devotional in nature than those in the Torah but stay with the Messianic Hebrew cultural view that is being emphasized in this work To access the haftorah go to the blue link that gives the scripture reference for that parashah s haftorah Then click on the number to the right of the reference This will take you to the end notes where the haftorah is given in blue To return to the text simply click the number again from the end notes and it will take you back to the text of that parashah The Haftorah sections in the MTC reflect several different Jewish traditions When we were looking for Haftorot to place in the text we did not use all Azkenazi or Sefardi Most of the time we used one of those two prominent groups but we also looked at the Yemeni and Romani traditions The Yemeni is the oldest Jewish community and the Romani reflect the eastern Jewish traditions for which our early Fathers in the faith were probably associated We tended to go with the Haftorah reading that we felt spoke to Messianics the best The next new feature has to do with the notes themselves As in the old edition to see the notes the reader can simply scroll to the end of each page and read what is written then back up to the text The new option is that if you click on the number for the note it will take you to an endnote copy of the note The endnote copy will show all the notes for the whole MTC without the Biblical texts This allows the student to skip to the commentary alone if so desired That way a search can be done to look for things such as Hebrew words and other points of interest When a comment looks interesting click that number and it will take you to the text that the comment references Click the number a second time and you are back in the comments to continue your search The third new feature involves 100s of hyperlinks within the text In places such as Lev 23 where the Feasts and Festivals are listed there are blue links to other places in the Torah where the same Festivals are discussed Click on the link and it will take you to the other reference Click again and you are back where you started Finally we have corrected as many of the spelling typing and grammatical errors as we could in this edition of the MTC We have also added some new comments and re written comments that we thought were unclear Hebrew fonts have been typed in a bold font to make them more obvious IF YOU HAVE THE ORIGINAL version of the MTC and would like to get the updated MTC you can do so for FREE The way that you can get the new version for free is to make a phone call This will take a minute or two but has the benefit of being free Call 1 866 216 1072 and have the ASIN B00OYENR9Y of the MTC ready The second and third digits are the number 0 The fourth digit is the capital letter O We are told the digital team at Kindle will update everything for free
