Walking Home With Baba The Heart Of Spiritual Practice:

Walking Home with Baba Rohini Ralby, 2012 This is an authoritative uncompromising altogether real guide to spiritual practice Rohini Ralby spent eight years as head of security appointments secretary and personal assistant to the great Swami Muktananda and in their many hours alone together this world renowned guru taught her one on one the essence of spiritual practice In Walking Home with Baba an expert guide to spiritual practice Rohini draws on that experience and her subsequent study and work as a spiritual director to convey in clear and concise terms what spiritual practice truly is walking home and retracing our way back to God to Absolute Truth Absolute Consciousness and Absolute Bliss Walking Home with Baba combines intimate stories about Ms Ralbys own experiences with Muktananda and others with chapters explaining the actual work of spiritual practice She provides tools that she has developed for freeing ourselves from misery One chapter is perhaps the most masterfully clear and concise companion to the Yoga Sutras of Patanjali available today Readers will learn not only about Ms Ralbys experience of travelling the path and being the close disciple of a great Guru they will gain practical guidance in walking that path themselves *How Then, Shall We Live?* Wayne Muller, 2013-09-11 We all long to experience a sense of inner wholeness and guidance but today's notions of healing and recovery too often keep us focused on our brokenness on our deficiencies rather than our strengths Wayne Muller's luminous new book gently guides us to the place where we are already perfect already blessed with the wisdom we need to live a life of meaning purpose and grace He starts as do so many spiritual teachers with simple questions Who am I What do I love How shall I live knowing I will die What is my gift to the family of the earth He then takes us deeper exploring each question through transformative true stories We meet men and women Wayne's neighbors friends patients who have discovered love courage and kindness even in the midst of sorrow and loss And through them we glimpse that relentless spark of spiritual magic that burns within each of us Woven throughout are contemplations daily practices poems and teachings from the great wisdom teachings Page by page we become more awake to the joy and mystery of this precious human life and to the unique gifts every one of us has to offer the world Yoruba Traditions and African American Religious Nationalism Tracey E. Hucks, 2012-05-16 Exploring the Yoruba tradition in the United States Hucks begins with the story of Nana Oseijeman Adefunmi's personal search for identity and meaning as a young man in Detroit in the 1930s and 1940s She traces his development as an artist religious leader and founder of several African influenced religious cultural projects in Harlem and later in the South Adefunmi was part of a generation of young migrants attracted to the bohemian lifestyle of New York City and the black nationalist fervor of Harlem Cofounding Shango Temple in 1959 Yoruba Temple in 1960 and Oyotunji African Village in 1970 Adefunmi and other African Americans in that period renamed themselves Yorubas and engaged in the task of transforming Cuban Santería into a new religious expression that satisfied their racial and nationalist leanings and eventually helped to place African Americans on a global religious schema alongside other Yoruba practitioners in Africa and the diaspora Alongside the story of Adefunmi

Hucks weaves historical and sociological analyses of the relationship between black cultural nationalism and reinterpretations of the meaning of Africa from within the African American community Afterzen Janwillem van de Wetering,2001-03-08 In Afterzen van de Wetering provides unorthodox solutions to a collection of classical koans found in Walter Nowick's The Wisteria Triangle Van de Wetering gives them his own distinctive touch of humor down to earth reality and tough spirituality in the context of meeting and adventures with personalities collaged from bits and pieces of teachers and fellow students who kindly came my way In this third book of the trilogy van de Wetering is at his accessible honest funny and genuinely spiritual best **How I Found God in Everyone and Everywhere** Andrew M.
