Guns in America Jan E. Dizard, Robert Muth, Stephen P. Andrews, 1999-04 Firearms have long been at the core of US national narratives From the Puritans embrace of such weapons to beat back the devilish Indian to a guilty delight in the illegal exploits of Dirty Harry Americans have relied on the gun to right wrongs both real and imagined The Trade Commissioner G. Sson Miller, 2002-07 When a Scandinavian Trade Commissioner to North America finds out that one of his guests to a wine tasting party had been one of Hitler s Aides de Camp it leads to International Industrial Espionage involving murder extortion and the chance to make a fortune from newly discovered Siberian diamond deposits As Trade Commissioner for a Scandinavian country with responsibility for trade development with Northwestern USA and Western Canada Eric Stark learns through his secretary that a German on his invitation list for a wine tasting party at the end of the 1960 s had been one of Hitler s aides de camp during the entire second world war When learning from his old friend at La Surete in Paris that one of his business contacts in USA a French aeronautical engineer with the executive position Foreign Procurement Manager for a major US space and aircraft corporation was suspected to have been a collaborator with the Nazis during the war Eric Stark decides to extort a confirmation of that suspicion from the German by letting him understand that he Eric Stark is informed about his gruesome role at the side of the Fuhrer in Germany who handled the collaborators in Paris and passes that on Eric Stark senses he could use that information to extort a partnership with the Frenchman for technology transfers to Moscow Beirut and Beijing a power brokerage business to contribute to the maintenance of the balance of terror between the major world powers and thus reduce the risk for a third world war The outraged German decides to undertake any measures including murder to prevent public disclosure of his grisly past However Eric Stark succeeds to survive the attempts on his life and can implement his greater scheme together with the Frenchman resulting in huge brokerage fees channeled through Swiss number accounts to Cayman Islands for investments in a daring diamond joint venture with an English consortium all based on the newly discovered diamond deposits in Siberia Toxic Nostalgia on Screen Simon Bacon, 2024-12-15 Toxic nostalgia is not a new phenomenon and instances of an undying past refusing to perish and plaguing the present can be found throughout history However examined in Toxic Nostalgia on Screen in the early years of the new millennium it has acquired further meaning and not just applies to a dangerous longing for the past but a way of being in the present world Here in our modern time undead memory is not just a remembrance of the past that is visited upon the present with negative implications but the embodiment of monstrous imagined histories and ideologies that dictate the way we live today so that tomorrow is not the future but a never ending return to the past **The Redwood Stumper 2012** Paul Feist, 2012-12-02 The Newsletter of the Redwood Gun Club in Humboldt County California A newsletter dedicated to sharing the activities interests and knowledge of the membership of the club with our community This is every issue of the Redwood Stumper from 2012
