It's a business book that's an entertaining novel, the management training book for anyone who hates business books. Enjoy a fun read and turn your small business into a multi-national conglomeration. The 600 Million Latte tells how retired businessman Clyde West on holiday in the Caribbean spent 12 to help out a small coffee shop owner never realizing that his kindness would be the beginning of a 600 million dollar industry. What followed was a crazy journey of explosive growth, millions of dollars, hundreds of countries, and all built on a single piece of paper created in five minutes on a mate's computer. You'll learn while you laugh. You'll ask if you could do it yourself. You'll wonder what's true and what's fiction. Was it done, could it be? Author Neil Flett shares with you his enormous experience gained in journalism, public relations, promotion, and management training and wraps that knowledge up in a crazy tale of millions of dollars. This is one business book that you'll actually enjoy reading. Business learning is serious, so Neil has made it fun. *Official Gazette of the United States Patent and Trademark Office*, 2002

U.S. Master Depreciation Guide (2008) CCH Tax Law Editors, 2007-12 CCH's U.S. Master Depreciation Guide offers tax and accounting professionals who work with businesses a one-stop resource for guidance in understanding and applying the complex depreciation rules to their fixed assets. This area is especially challenging because bits and pieces of applicable information must be gathered from a maze of Revenue Procedures, IRS Tables, and IRS Regulations. These sources are frequently old and include some materials which may be non-applicable. CCH's U.S. Master Depreciation Guide pulls the pieces together so practitioners can make sense of all the corresponding information and put the information into practice. *East-West Economic Relations in the Changing Global Environment* Bela Csikos-Nagy, David G.
