Doctrine of the Eons Paige-Patric J. D. Samuels, 2019-06-13 The Doctrine of the Eons God s Immutable Plan is an account of how God will bring about the salvation and reconciliation of all mankind Each chapter provides a theological account of how this will be accomplished including dispelling common myths about God and focusing on the meaning of the word immutable This leads to a discussion of the Hebrew and Greek definitions of eon and eternal and we discover that neither the Old nor the New Testament uses the word eternal Eternal tends to refer to an indefinite amount of time whereas eon is more definite the latter term is primarily used when the Bible talks about the end times Finally the

doctrine of universal salvation is presented arguing that God will have all men be saved and that he will eventually reconcile all creation

The Biblical Sabbath is from Dawn to Dawn Travis Fentiman,2025-06-14 As Scripture teaches that the Sabbath was enjoined upon all people at Creation Gen 2 2 4 as the moral Fourth Commandment commands it Ex 20 8 11 and as the New Testament upholds keeping the weekly Sabbath on the first day of the week Jn 20 19 Acts 20 7 11 1 Cor 16 2 Heb 4 9 etc so the question of when the Sabbath begins should be of concern to every person In the most comprehensive treatment to date on the subject Fentiman in this extended academic article demonstrates from Scripture that the Sabbath has always been from dawn to dawn since Creation throughout the Bible without exception To give a brief summary of the Biblical evidence The word morning in the Creation account in Gen 1 is more accurately translated as dawn the phrase signifying that each day of Creation ended with dawn with the next day beginning therefrom The Old Testament speaks of days starting from the morning or dawn in over 40 verses The Israelites kept the Sabbath morning to morning in Ex 16 and the rest of Old Testament history is consistent with this reckoning The New Testament throughout its pages likewise reckons days to start in the morning The Temple in the New Testament counted the hours of the day from 6 A M The disciples buying of spices in the evening after the death of Jesus is shown to be inconsistent with an evening to evening reckoning of the Sabbath The Resurrection accounts of Christ rising from the dead at dawn assume continuity with the Old Testament reckoning Christ celebrates the Lord s Day in Jn 20 19 with the disciples in the evening of the 1st day of the week which the apostles continued to practice in Acts 20 7 11 The corruption of the Sabbath by Jewish traditionalism in keeping the Sabbath from evening to evening likely started in the inter Testamental era and was preserved in their Talmuds A very full survey of the inter Testamental and extra Biblical literature is surveyed on the issue as well as reformed history Assure your mind and heart on this Scriptural subject and make the Sabbath a delight Isa 58 13 14

Radical Restoration in the Church Jay R. Leach,2015-01-23 ONE GENERATION FROM EXTINCTION There is a drastic shift in the national culture and churches today which if not countered can make Christ extinct in one generation In the midst of this shift many Christians have become confused and are blurring their kingdom mission biblical worldview and life of godliness Meanwhile recent research reflects some 2 billion people in the world who have never heard the saving gospel of Jesus Christ and billions more caught up in false religions In the shift many Christians individually and corporately are failing in their responsibility to pass on the faith wisdom and godly example to the next generation Failure to do so in one generation will remove Christ and Christianity from the next generation s To meet this challenge we must radically restore the faith see Jude 3 for the final hour Restore agape love for God and others in the Church Restore and teach a true biblical worldview in the Church Restore biblical salvation and a daily walk with Christ in the Church Restore total dependence upon the Holy Spirit in the Church The secular worldview secures more Christian casualties daily But by His divine power God has given us all things that pertain to a life of godliness see 2 Peter 1 3

Patterns of Christological Categorisation Marvin C. Sanguinetti,2023-03-28 This book

focuses on Christological Monotheism an underexplored area which combines two disciplines of theological appraisal often addressed as separate subjects Christological Monotheism is underexplored in the literature and even more underexplored are interpretations of Christological Monotheism from the perspectives of Christian voices within the Oneness Pentecostal faith tradition Oneness Pentecostalism offers opposing perspectives to what is considered fixed orthodoxy within the Christian faith traditions i e its views differ on doctrines relating to the nature of God and Christ from accepted norms This project seeks to include various Oneness Pentecostal interpretations to commonly held perspectives and explore what such might look like when juxtapose with Christian orthodoxy Moreover it rereads perspectives about the relationship between God and Christ offered by both traditions in the contexts of earlier contributors to Christian history all the way to the Second Temple Jewish periods and includes similar patterns exposed by various groups scholars along this trajectory

Early Christianity and Historical Methods Joel Steele, 2021-05-25 The focus of this analysis centers on the work of early Christians prominent theologians and church historians who have developed and established orthodoxy in Christian theology Apologetic approaches are analyzed and problems are shown to emerge when there is a lack of distinction made between historical and theological methods Apologists who approach the study of history the same way they approach theology do both disciplines a disservice The second part of the narrative argues that Christ is the essence of faith i e this entity is a deity that exists only through faith Christ s miracles his resurrection and atonement are not consistent with expected realities in history Moreover these elements of the deity were never intended to be proofs in a historical sense Reason therefore in this context is not humanity s salvation Nothing can be learned about Christ from history he is a paradox as Kierkegaard argued Christ cannot be known from a historical perspective Spiritual truths however have been developed by theologians and can be learned through the Christian faith This book will be especially alluring for those interested in understanding some of the most influential developments of early Christianity that morphed into components of the Christian doctrine It covers textual analysis of ancient writings historical approaches to studying theology and methods used for historical inquiry Emphasis is placed on historical methods and why it s important to distinguish theology from history

Jesus' Words on Salvation

Douglas J. Del Tondo, 2008-02 A Christian attorney argues that Bonhoeffer was correct when he said we have developed a Christianity without Christ and exchanged Jesus gospel of costly grace for one of cheap grace Del Tondo reviews all the major salvation statements and parables by Jesus He then compares them to the prevalent doctrines of faith alone which Bonhoeffer called cheap grace Del Tondo demonstrates that Jesus doctrines on salvation insisted upon repentance from sin and obedience to His principles thereby falsifying faith alone doctrine
