Wake While You Can Non Religious:

No More Faith Sandy Appleyard, 2022-10-31 The accident that nearly destroys him The team that miraculously pulls him back together And the lie told that could change both of their lives forever Kiley has a lot going for her She's got the perfect man the perfect career choice a brain and a drive to succeed that surpasses anything she could have dreamed of But just when she thinks she's got it all an unexpected item found in a drawer while her boyfriend is out with friends makes a sudden change in her life that can never be undone To make matters worse when a new patient makes her uncomfortable after said discovery she tells a lie that she can't untell digging herself further into a hole When Luke nearly dies after a fall he finds himself in unwanted territory First he's in hospital then he's stuck in a wheelchair unable to do anything for himself A man used to eighteen hour workdays at the family ranch finds it difficult to be tied down visiting doctor after doctor Until he meets Kiley a physiotherapist on the road to being a surgeon and he begins to see light at the end of the tunnel But when he finds out something about her all bets are off and he's forced back into his rut Unsuspecting they both have something in common But when fast friends become something more the truth comes out and Luke goes running Will Kiley go after him And more important eyes are watching the family ranch just waiting for the right moment to make their move which will be easier with one man down HEA Happily Ever After Ranch romance Medical romance Second chance romance Medium heat Course language Cliffhanger ending
