Walking Between Worlds Belonging To None:

Walking Between Worlds Belonging to None Ann Andrews, 2009-03-25 Walking Between Worlds Ann Andrews, 2007-06-01 Walking Between Worlds Belonging to None raises the bar when it comes to alien abduction books Like many Walking offers a fascinating account of strange and unusual events yet it also takes us into new realms of possibilities where humanity takes its places as Cosmic Citizens realizing our divine destiny where the Earth becomes a station of light a point of great radiance and vitality beaming out into the Universe Alien abduction typically runs in families and Ann Andrews came from a long line of abductees Although it wasn't until her son's experiences accelerated that she began having dreams and was given back long hidden memories which enabled her to accept and cope with what was going on with her youngest son Jason *The Secrets She Carried* Barbara Davis, 2013-10-01 When a young woman returns to North Carolina after a thirty year absence she finds that the once grand tobacco plantation she called home holds more secrets than she ever imagined Though Peak Plantation has been in her family for generations Leslie Nichols can't wait to rid herself of the farm left to her by her estranged grandmother Maggie and with it the disturbing memories of her mother's death her father's disgrace and her unhappy childhood But Leslie isn't the only one with a claim to Peak Jay Davenport Peak's reclusive caretaker has his own reasons for holding onto the land bequeathed to him by Leslie's grandmother Before she died Maggie hinted at a terrible secret surrounding Adele Laveau a lady's maid who came to Peak during the 1930s and died under mysterious circumstances Jay is haunted by Maggie's story yet the truth eludes him until Leslie uncovers a cryptically marked grave on the property As they delve into the mystery of Adele's death Leslie and Jay discover shocking secrets that extend deep into the roots of Leslie's family tree secrets that have the power to alter her life forever **Conclusions of a Parapsychologist** Michael Lewis, 2013-07-04 Aimed at the popular market this book will appeal to readers who do not want to be burdened by detail It presents the authors conclusions based on facts and invites them to ponder the disturbing implications Its succinct and readable style will appeal to those with busy lifestyles An astonishing account of what it is like to die and experience a day in the Afterlife during which the author was told how things really are The author ventures into areas where few dare to tread At last sober facts not speculation about the paranormal from an objective unbiased researcher who tries to take a scientific viewpoint Michael Lewis writing rings with truth and authenticity It is a carefully selected and finely expressed group of closely related well defined and chosen concepts no doubt from a personal experience that is even wider than that which we here are privileged to share The material is presented in a narrative context and will engage and often astonish the reader Michael demonstrates that we are but at the very edge of knowledge and that all we can see is a small corner of the whole A book like this gives us the chance to lift the veil a little and glimpse the vast uplands beyond He has the ability to set down the material clearly and with an attractive writing style the prose is as clear as a window pane Mark Sykes former Editor in Chief Athena Press **The Temple of Shamanic Witchcraft** Christopher

Norry,2016-04-27 Meet the unsung heroes of the supernatural Demon hunters evil angels and one very angry Queen of Hell Can Paul learn the ways of the Walker in time to save humanity or will all the worlds burn in hellfire 700 pages of supernatural battle prophecies come true and a match made in Hell BOOK I DEMONS it makes William question everything he is supposed to be teaching the warrior apprentice while battling day and night to save the way of the Walker Ruling from their lofty perches the angels have long since lost their way They want control of everything and will stop at nothing to get it Barely an army the remaining demon hunters dodge plots from above and fire from below in their hopes to secretly save the worlds they walk between once more The dragons that reign in Hell have grown more brutal over long centuries when one queen fell a more fearsome dragon took her place It will take more than one miracle to stop her from setting all the worlds aflame forever Walk Between Worlds Samara Breger,2021-08-31 Sergeant Major Scratch Keyes of the King s Guard is having a bad day On what should be the biggest night of her life everything suddenly goes horribly wrong First her king denies her the promotion she rightfully earned as well as the knighthood that goes along with it And then when Scratch is wallowing somewhere near the fetid rock bottom she and her best friend the flamboyant and carefree Sergeant James Ursus are arrested for orchestrating the abduction of Princess Frances and sentenced to death On the whole things could be better Luckily help comes in the form of the mysterious Shae siblings Vel and Umbrella who inform the doomed pair that the issue of the missing Princess is far more complicated than it appears After a daring escape the four embark on an ill advised rescue mission through a forest filled with beasts bandits and mysterious fair folk bringing nothing with them but a kitchen knife and the vague outline of a plan Their destination is the Between a sacred and shadowy fae guarded place that promises to deliver Scratch and James to the princess if they manage to survive But Scratch didn t rise above her humble childhood in the Royal City slums by accepting things at face value It s clear that the enigmatic Shaes are hiding something but what do they know Who are they working with And why in the name of all the divine constellations in the scrambled sky can t Scratch stop staring at Brella Samara Breger s debut novel Walk Between Worlds is a romantic queer fantasy adventure that will make you laugh even as it keeps you on the edge of your seat The New Children and Near-Death Experiences P. M. H.

Atwater,2003-11-06 Presents an in depth look at children who have experienced the near death phenomenon and the heightened abilities that these children exhibit Provides compelling evidence for the existence of a generation of children who represent the spiritual evolution of the human race Includes firsthand testimonies of children who have returned from near death The New Children and Near Death Experiences is the first book to provide from the view of the child an in depth study of children who have experienced the near death phenomenon and its aftereffects Atwater notes that the child who returns from a near death experience is not the same child as before but is a remodeled rewired reconfigured refined version

of the original Presenting data to support her contention that these children have experienced structural chemical and functional changes in the brain she also shows how their greater empathic abilities as well as dramatically higher intelligence are qualities that are also present in children born since 1982 enhanced abilities that cannot be tied to simple genetics Atwater shows that understanding the near death experiences of children can help us prepare for a quantum leap in the evolution of humanity

The Dissonance Shaun Hamill, 2024-07-23 From the acclaimed author of A Cosmology of Monsters I loved it Stephen King comes an epic contemporary fantasy a mixture of The Magicians and It a story of dark magic terrible mistakes and second chances You can never go home again the saying goes but Hal Athena and Erin have to In high school the three were students of the eccentric Professor Marsh trained in a secret system of magic known as the Dissonance which is built around harnessing negative emotions alienation anger pain Then twenty years ago something happened that shattered their coven scattering them across the country stuck in mundane lives alone But now terrifying signs and portents not to mention a pointed Facebook invite have summoned them back to Clegg Texas There their paths will collide with that of Owen a closeted teenager from Alabama whose aborted cemetery seance with his crush summoned something far worse a murderous entity whose desperate driving purpose includes kidnapping Owen to serve as its Renfield As Owen tries to outwit his new master and Hal Athena and Erin reckon with how the choices they made as teens might connect to the apocalyptic event unfurling over the Lone Star State shocking alliances form old and new romances brew and three unsuccessful adults and one frightened teen are all that stand between reality and oblivion From one of the boldest most brilliant voices in modern fantastical horror The Dissonance is a thrilling and beautifully written story of magic and monsters forgiveness and friendship
