Walking From East To West God In The Shadows:

Walking from East to West: God in the Shadows Ravi Zacharias, R. S. B. Sawyer, 2010 Zacharias invites readers to follow him on this journey through his life and into the lives of others and see how he has become more convinced with each year that Jesus Christ is the one who came to give us life to the fullest and to point us to the freedom and beauty of truth for everyone easterner or westerner all over the world Walking from East to West Ravi Zacharias, 2006 Renowned Christian thinker Ravi Zacharias shares the intimate account of his journey beyond a turbulent childhood and the Eastern culture of his homeland The Grand Weaver: How God Shapes Us Through the Events of Our Lives Ravi Zacharias, 2010 With inspiring stories and thought provoking questions Ravi Zacharias traces the multiple threads of our lives describing how the unseen hand of God guides our joys our tragedies our daily humdrum to weave a pattern of divine providence and meaning *Has Christianity Failed You?* Ravi Zacharias, 2010-07-06 In 2006 Ravi Zacharias International Ministries RZIM held an open forum at the Fox Theater in Atlanta to address the subject *Has Christianity Failed You* Tickets were sold for the event and to the complete surprise of everyone the event was sold out with a capacity crowd of over 5 000 People lined up offering to buy tickets from folks in line for higher prices Before the event an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time One answered that because of a Christian s rejection of his gay lifestyle he had done just that Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church Others had their own reasons Some said it was just intellectually untenable in an age of reason They chose to come to the event to judge if there were adequate answers It is estimated that for every one person who writes a letter or attends an event there are one thousand who agree If the Atlanta crowd was any indication the question is real and troubling Why is it that many live with silent doubt many leaving the evangelical fold for something else Is there something wrong with the message the communicator the hearer or is it all three It s time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing In fact the son of a prominent US Senator phoned me with that very question Why has God made it so hard to believe in Him Such skepticism is not just representative of the hostile it also represents many honest questioners This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so More to the point Why it is actually so hard to deny God and still make sense out of life In the end the answers should be both felt and real with the added truth that God is nearer than you think He desires that we sense Him very near to us and not distant But closeness comes at a cost just as any relationship of love and commitment does Evangelical America Timothy J.
