Walking The Galatian Road:

Walking the Galatian Road Lance Thollander, 2010-06 behind the scenes of this Paul's power-packed letter Wayne Jacobsen Author *He Loves Me and So You Don't Want to Go to Church Anymore* story like narration and floodlight insight John Lindner President World Christian Ministries Editor World Christian Ministries Newsletter Author *God's Special Agents* and *The Mountains Shall Sing* readable and yet profoundly poignant Mark Haskins PhD Darden Graduate School of Business University of Virginia A recent survey of self-identified Christians by noted researcher George Barna yielded this astonishing result fully 81% of those surveyed said that maturity in Christ is measured by how well one keeps the rules But when did keeping the rules become a benchmark of those who follow Christ And how have we traded in the Life-giving power of the Lord Jesus for a set of restrictions In his new book *Walking the Galatian Road Moving from Law to Life* Lance Thollander peels back the layers of how we got there and shows present-day believers how to leave a life characterized by legalism and guilt and return to the freedom of living by Christ Motivated by forty years of experience including relationships with God's people in many parts of the world Thollander gives examples to show how the incredible vitality and freedom found in Paul's letter to the Galatians has been stolen away from believers Then he returns the readers to the simplicity of life in the Spirit A powerful combination of history and present-day reality in an easy-to-read format this book takes the pressure off worn-out Christians to perform If you are looking for a book that can restore your first love relationship with your Heavenly Father that takes a fearless look at how guilt has operated to short-circuit your faith and that provides frequent invitations for the reader to stop and spend time in the presence of a liberating and loving God then *Walking the Galatian Road Moving from Law to Life* is the book for you

Walking, The Way DL Newcombe, 2020-10-05 *Walking The Way* is the inspiring true testimony of a man who was obsessed with his own needs and desires for over 35 years A survivor of childhood sexual physical psychological and emotional abuse he became consumed by sin Immorality idolatry pride bitterness hatred anger and drugs and alcohol came incredibly close to destroying his life Then one day everything changed In the time it took to see death coming and not even have the chance to take a breath never mind pray for forgiveness the man was spared Awakened to how close he'd come to losing everything including God he was born again into a new life and a new role as a disciple In His mercy God saved this man delivered him from self-destruction and the surety of hell all through His amazing Grace A testament to the power and work of God the Holy Spirit *Walking the Way* reveals the importance of faith and trust in the only true God of the Bible Learn how forgiveness begins the healing process and how God's Word is truly the only way to renew your mind See how effectual prayer done in awe of the amazing power of God and His love is sustenance for the disciple confirming one's belief while granting the ability and strength to face life's trials with confidence Before it's too late consider your life your thoughts your actions Remember what's at risk separation from Him forever Then ask yourself Am I born of the Spirit

A Commentary on Galatians David Pawson, 2013-07-17 The modern mood is that we do not want to argue about

religion We do not want to quarrel but to be comfortable with each other Galatians is not that kind of a letter Paul argues with other Christians not with unbelievers and his message in the letter has in turn caused many arguments Arguments can be good If Luther had not been willing to get into an argument the Reformation would not have occurred When we come to Galatians we are handling some of the biggest issues of all There are fundamental issues without which you lose the Christian gospel so I am afraid fighting is involved Many of the biggest battles that Christians have to face are inside the church not outside it That is painful Who likes a family that is arguing Whenever the devil attacks the church from the outside the church gets stronger and bigger His attacks are much more successful when they come from the inside and one of the quickest ways to do that is to pervert or corrupt or erode the gospel If he can do that he knows that he has destroyed the church from the inside Legalism and licence are still with us But so is true liberty We must stay and walk with others along the narrow path the wind of the Spirit blowing in our faces and the blessing of God s grace upon us We are free not to sin and free to be bold if we will only walk in the Spirit Galatians is one of the most powerful letters you will ever read

Life-study of Galatians Witness Lee, 2023-09-27 The book of Galatians reveals that in God s economy Christ replaces the law and it is religion versus tradition The churches in Galatia had begun well receiving the Spirit through faith but were now striving to be perfected by the flesh through the law 3 3 The Judaizers had bewitched the Galatians so that they considered the ordinances of the law above the Son of the living God Paul responds by telling the distracted Galatians that Christ gave Himself for our sins that He might rescue us out of the present evil age according to the will of our God and Father 1 4 In this book the current evil age is not the secular world but the religious world in its present manifestation which distracts God s people from the living person of the Son of God This book exposes the inability both of the law and of circumcision showing that the law cannot impart life to regenerate us and that circumcision cannot energize us to live a new creation But the Son of God who has been revealed in us can enliven us to make us a new creation and the Christ who lives in us can afford us the riches of His life to live the new creation The desire of God s heart is not that we would keep the law but that His Son would be revealed in us operate in us live in us and be formed in us that we may know Him receive Him as our life and become the sons of God individually and the household of the faith corporately The book of Galatians unveils that the crucified Christ not

the law with its ordinances is the center of God's economy

The Pauline Metaphors of the Holy Spirit Erik Konsmo, 2010 In the Pauline literature of the New Testament the characteristics of the Spirit and Christian life are described through the use of metaphor An interpreter of Paul must understand his metaphors in order to arrive at a complete understanding of the Pauline pneumatological perspective Thus The Pauline Metaphors of the Holy Spirit examines how the Pauline Spirit metaphors express the intangible Spirit's tangible presence in the life of the Christian Rhetoricians prior to and contemporary with Paul discussed the appropriate usage of metaphor Aristotle's thoughts provided the foundation from which these rhetoricians framed their arguments In this context The Pauline Metaphors surveys the use of metaphor in the Greco Roman world during the NT period and also studies modern approaches to metaphor The modern linguistic theories of substitution comparison and verbal opposition are offered as representative examples as well as the conceptual theories of interaction cognitive linguistic and the approach of Zolt n K vecses In examining these metaphors it is important to understand their systematic and coherent attributes These can be divided into structural orientational and ontological characteristics which are rooted in the conceptual approach of metaphor asserted by George Lakoff and Mark Johnson This book evaluates these characteristics against each of the Pauline Spirit metaphors

WALKING THE NARROW ROAD Olivia Olajumoke Adamolekun Young, 2019 God's plan was to send Jesus the seed of the woman promised in Genesis to this earth in order to bruise the head of the Serpent And at the fullness of time Jesus Christ willingly gave up His unique position in heaven to come to earth to die for sinners too powerless to save ourselves He took slaps insults spits and beatings and all indignities from sinners in order

to accomplish this great salvation for us He was nailed to the cross died was buried and rose from the dead on the third day And before He gave up His last breath He declared It is finished Those three words released all human beings who will accept His sacrifice of love from bondage to Satan forever The curtain in the temple at Jerusalem that separated the holy place from the holy of holies rent in two from top to bottom after His death This symbolized how His death opened for us direct access to God the Father No longer do we need a High Priest to go into the holy of holies to offer the blood of bulls and goats that can only cover sins for a year Jesus blood shed once and for all has obliterated our sins forever He is now our Great High Priest in heaven where He offered His blood at God s mercy seat The Father was pleased with His perfect work for us and accepted His sacrifice No wonder John the Baptist introduced the Lord as Behold the Lamb of God that takes away the sin of the world If you have believed in Christ s work at Calvary and received Him into your life confess Him with your mouth tell people about how your sins are forgiven and who you have become in Christ Faith in God and in the work of His Son for you is what determines your salvation **The Road to Emmaus: Pilgrimage as a Way of Life** Jim Forest ,2007
