A Brief Walk through the Books of the New Testament Tony Smith, 2024-06-21 The Bible is the written Word of God that reveals to us God's purpose for His Creation In the Old Testament God makes it clear that mankind is separated from Him by his sin nature and He appointed one day in the year that addressed the matters for man's sin the Day of Atonement On the Day of Atonement sacrificial blood was shed and taken from the sin offering in the temple brought by the High Priest into the Most Holy Place and there the High Priest sprinkled it before the Lord seven times This atoned for the sins as of that day but did not atone for our sin nature for which the prophesied Messiah was expected to come to be our atonement He would come as the Old Testament prophets predicted to deliver whoever will receive Him into their hearts the grace of complete forgiveness for our sin nature and life eternal in Christ This is the New Testament New Covenant offered by God the Son of Man meeting the human need that emanates from our souls seeking identity Who am I why am I here where am I going The Word of God is where we find answers to these needs speaking to the deepest part of our being As children of God through having received Christ our old sin nature has died in Christ's shed blood on the Cross and our new life begins in His resurrection and continues in eternity
