BEYOND BEING AND TIME

Walt Whitman And Odysseus Elytis

Tobias Bleicker

Walt Whitman And Odysseus Elytis:

Walt Whitman & Odysseus Elytis Katerina Andriotis, 2010-03 Walt Whitman and Odysseus Elytis Beyond Being and Time is an analysis and interpretation of Walt Whitman and Odysseus Elytis's body of work in general And The Axion Esti and Song of Myself in particular Through the use of extensive research The work suggests that there is a common ground that Whitman and Elytis share that is to say their philosophy on language and poetry The study also examines and defines Americanness and Greekness and what they mean to each poet Since their country of origin is much more than a birthright identity and a sense of belonging are pertinent to both poets work it further argues through the use of Gilles Deleuze and Felix Guattari's paradigm that Elytis and Whitman are major poets who write in a minor language Additionally existentialism metaphysics authenticity and truth have been of great importance to both poets As a result Transcendentalist and Surrealist ideals The role And The importance of the poet in society help to illuminate and formulate a new interpretation of the Axion Esti and Song of Myself Walt Whitman of Mickle Street Geoffrey M. Sill, 1994 **Walt Whitman Quarterly Review**, 1999 Odysseus Elytis : un méditerranéen universel Hélène Ahrweiler, Michel Anthonioz, Xavier Bordes, 1988-01-01 T00:00:00+01:00 Cet ouvrage est une réédition numérotée d'un livre paru au XXe siècle désormais indisponible dans son format d'origine *Mediterranean Modernisms* Marinos Pourgouris, 2016-04-22 Engaging with the work of Nobel Prize winning poet Odysseus Elytis within the framework of international modernism Marinos Pourgouris places the poet's work in the context of other modernist and surrealist writers in Europe At the same time Pourgouris puts forward a redefinition of European Modernism that makes the Mediterranean and Greece in particular the discursive contact zone and incorporates neglected elements such as national identity and geography Beginning with an examination of Greek Modernism Pourgouris's study places Elytis in conversation with Albert Camus analyzes the influence of Charles Baudelaire Gaston Bachelard and Sigmund Freud on Elytis's theory of analogies traces the symbol of the sun in Elytis's poetry by way of the philosophies of Heraclitus and Plotinus examines the influence of Le Corbusier on Elytis's theory of architectural poetics and takes up the subject of Elytis's application of his theory of Solar Metaphysics to poetic form in the context of works by Freud C G Jung and Michel Foucault Informed by extensive research in the United States and Europe Pourgouris's study makes a compelling contribution to the comparative study of Greek modernism the Mediterranean and the work of Odysseus Elytis **Oxopetra Elegies** Odysseas Elytis, David Connolly, 2021-10-14 First Published in 1997 Geographically speaking Oxopetra is a promontory on the island of Astypalaea It is the other rock For me it is the farthest point of the land in the sea the farthest point of our era in another era and the farthest point of my life in death Odysseus Elytis Odysseus Elytis was born in Crete in 1911 and published the first of his poems in 1935 He was influenced by French Surrealism and travelled widely and in post war years lived in France with many other leading poets and artists of his generation In 1979 he was awarded the Nobel Prize of Literature The Oxopetra Elegies is a recent collection and is considered by many Greek critics to

contain some of the finest and most important poems he has ever written The Greek Poetry Archive features monographs on key modern Greek poets from the nineteenth century to the present and a bilingual collection of their poetry translated into English

"The Million Dead, Too, Summ'd Up" Walt Whitman, 2021-03-02 This book is the first to offer a comprehensive selection of Walt Whitman's Civil War poetry and prose with a full commentary on each work Ed Folsom and Christopher Merrill carry on a dialogue with Whitman and with each other as they invite readers to trace how Whitman's writing about the Civil War develops shifts and manifests itself in different genres throughout the years of the war The book offers forty selections of Whitman's war writings including not only the well known war poems but also his prose and personal letters Each are followed by Folsom's critical examination and then by Merrill's afterword suggesting broader contexts for thinking about the selection The real democratic reader Whitman said must himself or herself construct indeed the poem argument history metaphysical essay the text furnishing the hints the clue the start or frame work because what is needed for democracy to flourish is a nation of supple and athletic minds Folsom and Merrill model this kind of active reading and encourage both seasoned and new readers of Whitman's war writings to enter into the challenging and exhilarating mode of talking back to Whitman arguing with him and learning from him

Odysseus Elytis Centre Georges Pompidou, 1988

Acrobatic Modernism from the Avant-Garde to Prehistory Jed Rasula, 2020-02-27 This is a book about artistic modernism contending with the historical transfigurations of modernity As a conscientious engagement with modernity's restructuring of the lifeworld the modernist avant garde raised the stakes of this engagement to programmatic explicitness But even beyond the vanguard the global phenomenon of jazz combined somatic assault with sensory tutelage Jazz like the new technologies of modernity recalibrated sensory ratios The criterion of the new as self making also extended to names pseudonyms and heteronyms The protocols of modernism solicited a pragmatic arousal of bodily sensation as artistic resource validating an acrobatic sensibility ranging from slapstick and laughter to the pathos of bereavement Expressivity trumped representation The artwork was a diagram of perception not a mimetic rendering For artists the historical pressures of altered perception provoked new models and Ezra Pound's slogan Make It New became the generic rallying cry of renovation The paradigmatic stance of the avant garde was established by Futurism but the discovery of prehistoric art added another provocation to artists Paleolithic caves validated the spirit of all over composition unframed and dynamic Geometric abstraction Constructivism and Purism and Surrealism were all in quest of a new mythology Making it new yielded a new pathos in the sensation of radical discrepancy between futurist striving and remotest antiquity The Paleolithic cave and the USSR emitted comparable siren calls on behalf of the remote past and the desired future As such the present was suffused with the pathos of being neither but subject to both

Census of Modern Greek Literature Dia Mary L. Philippides, 1990 The CENSUS OF MODERN GREEK LITERATURE aims at presenting to English speakers references to the works of Greek authors translated into English to the critical essays written in English on modern Greek literature within the

period 1824 1987 The literature included in the check list ranges from approximately the eleventh century to the present day This accords in scope outline with the HISTORY OF MODERN GREEK LITERATURE by Linos Politis Oxford University Press 1973 The check list includes all the appropriate material that the compiler was able to find in libraries bibliographies from several countries It is divided into seven chapters Bibliographical Sources Journals regularly containing material in English from modern Greek literature Special Issues of Journals dedicated for a single time to modern Greek literature Anthologies Books of Collected Essays Literary History containing general histories of modern Greek literature most of the literary material preceding the nineteenth century critical essays referring to more than a single author Authors listing the authors of the nineteenth twentieth centuries alphabetically by their last names Philippides book will be an indispensable guide for all English speaking teachers students of modern Greek literature Peter Mackridge Oxford University
