feared pirate across a thousand systems are both convinced Drake has learnt the secret of how hellships are created and both want that prize So Drake and the Dagger s crew must run and Drake is wrestling with a different secret One which endangers his entire crew One he knows he must never share and which is likely to lead to the deaths of everyone under his command Will he escape Grab Hellfire Tyranny and find out for yourself **Hellfire - Autonomy** Simon

Goodson,2020-10-20 The worst has happened Drake has failed his crew They don t know it yet but they will soon and when they find out things will get ugly As if wrestling with the life changing disaster he s inflicted on his crew isn t enough he still has the Phoenix Conglomerate and a powerful pirate fleet both pursuing him and the Dagger Both know the crystal in his possession is linked to bringing new hellships into existence He would rather die than let either get their hands on it With darkness everywhere Drake has only one option left one which risks him becoming something far worse than any of his enemies Can he resist the dark temptation Or will he give in dooming himself and his crew to darkness forever Will he survive Grab Hellfire Autonomy today and find out
