Wanderlust A Love Affair With Five Continents:

Wanderlust Elisabeth Eaves, 2011-05-24 Spanning 15 years of travel beginning when she is a sophomore in college *Wanderlust* documents Elisabeth Eaves's insatiable hunger for the rush of the unfamiliar and the experience of encountering new people and cultures Young and independent she crisscrosses five continents and chases the exotic both in culture and in romance In the jungles of Papua New Guinea she loses herself literally to an Australian tour guide in Cairo she reconnects with her high school sweetheart only to discover the beginning of a pattern that will characterize her life over the long term while long distance relationships work well for her traditional relationships do not *Wanderlust* however is more than a chronological conquest of men and countries at its core it's a journey of self discovery In the course of her travels Eaves finds herself and the sense of home she's been lacking since childhood and she sheds light on a growing culture of young women who have the freedom and inclination to define their own increasingly global lifestyles unfettered by traditional roles and conventions of past generations of women

Wanderlust Elisabeth Eaves, 2011 This book documents the impulses that drive Elisabeth Eaves insatiable hunger for the rush of the unfamiliar She is both restless vagabond and astute observer as she crisscrosses five continents chasing the exotic in both culture and romance She loses herself in the jungles of Papua New Guinea rekindles old love and new passion in Cairo and finds an itinerant brotherhood of raucous men in the land Down Under Like the random possessions she leaves in her wake from Australia to Yemen she also leaves behind a string of lovers But this is about more than just sensual conquest it is also a journey of self discovery in which her pursuit ultimately guides her home back cover

meant to be They also share the grief that comes like a gut punch when the grand metropolis loses its magic and the pressures of New York s frenetic life wear thin for even the most dedicated dwellers As friends move away rents soar and love still remains just out of reach each writer s goodbye is singular and universal just like New York itself **The Other Side of Paradise** Julia Cooke,2014-04-01 Change looms in Havana Cuba s capital a city electric with uncertainty yet cloaked in cliché 90 miles from U S shores and off limits to most Americans Journalist Julia Cooke who lived there at intervals over a period of five years discovered a dynamic scene baby faced anarchists with Mohawks gelled with laundry soap whiskey drinking children of the elite Santer trainees pregnant prostitutes university graduates planning to leave for the first country that will give them a visa This last generation of Cubans raised under Fidel Castro animate life in a waning era of political stagnation as the rest of the world beckons waiting out storms at rummy hurricane parties and attending raucous drag cabarets planning ascendant music careers and black market business ventures trying to reconcile the undefined future with the urgent today Eye opening and politically prescient **The Other Side of Paradise** offers a deep new understanding of a place that has so confounded and intrigued us **A Year Straight** Elena Azzoni,2011-10-25 After having spent nearly her entire adult life dating women and liking it Elena Azzoni felt pretty secure in her sexual orientation she d even just been crowned Miss Lez 2007 Then one day in yoga class a male teacher moved in close to adjust her pose and she suddenly found herself intensely bafflingly attracted to him Eventually she initiated a flirtation with him after that there was no going back **A Year Straight** is a chronicle of the hilariously disastrous year following Azzoni s abrupt dive into the world of dating men old enough to drink and keep her own hours but as clueless as an adolescent when it comes to deciphering men s words and actions Azzoni is uniquely positioned to find herself in some ridiculously absurd scenarios Often cringe worthy and occasionally unbelievable **A Year Straight** is a wildly entertaining look at one woman s experiences dating a new sex the opposite sex
