Johnson,2017-09-05 Christianity at its heart is a therapeutic faith In this companion to Foundations for Soul Care Eric L Johnson presents a systematic account of Christianity as divine therapy A groundbreaking achievement in the synthesis of theology and psychology this is an indispensable resource for students scholars pastors and clinicians **From Sin to Disease** Jonathan K. Okinaga,2022-09-23 Since Benjamin Rush first introduced the disease of wills as the cause of alcoholism a steady and slow infiltration of the disease model has infected how the church treats those who struggle with addictions The first organization that truly sought to remove the soul care of addicts from the church was Alcoholics Anonymous AA through their bestselling The Big Book of AA and the introduction of the 12 Steps AA s influence on how the church confronts addiction still reverberates today with many of the ministries that address addiction firmly rooted in what can be found in AA literature Addictions were once viewed as an issue caused by sin and best addressed through faith and prayer Currently addiction is seen through the lens of disease The ramifications are consequential as more church members are struggling with addictions than ever before Tracing the progression of addiction from sin to disease will reveal that the SBC and its churches have been negligent in understanding the underlying foundations of AA and the influence that the medicalization of substance abuse has had on how churches approach what should be classified as a sin issue *Journey of the Soul...Cracked Pots and Broken Vessels* Dr. Phyllis Davis,Rev. Carrol Davis,2014-03-31 Discover your story learn how to tell it and watch God perform miracles in your life as you fall more in love with your Abba Father God uses cracked pots and broken vessels to tell His story And they overcame by the power of the blood of the lamb and the word of their testimony Revelation 12 11 KJV God doesnt waste anything or anyone He takes the scars and pain of your life and turns you into the vessel of His glory you were created to be Nothing surprises God He has a plan to redeem you save you and let His light shine through you Many Christians walk in bondage for failure to know and follow the Word of God The Bible is Christs love letter to you an instruction book to guide you through all of lifes difficulties Who better to direct you through uncertain times than the one who knows of the best plans for your life Yet Christ says his people are destroyed for lack of knowledge Gods Word rightly applied to the strongholds in your life can help you live the abundant life Christ died to give you and set the captives free It is not just a matter of salvation but rather growth in Christthe sanctification processthat leads you to the rich and abundant life Christ died to give you What is your testimony It isnt just your story of salvation Tell of your journey and how the Lord allowed the Scriptures to come alive in your life Tell of the living Jesus **Think Red** Larry Stoess,2021-09-27 Have you ever wondered what the church

would look like if Christians began to take the words of Jesus seriously the words some Bibles print in red What if Jesus actually meant for us to do the things he said What if those who believe in Jesus really did value the things he valued Would the church look different Would your neighborhood stay the same In Think Red Larry Stoess takes a close look at the values the vision and the mission of Jesus and then holds up a mirror for us to see if our communities look anything like Jesus If we dare look in the mirror we may be inspired to leave behind our obsession with consumer based religion and follow the way of Jesus Those who do will be set free to imagine creative and whimsical expressions of community Celebrate Recovery Volumes 1-4 Participant's Guide Updated Edition, The Journey Begins John Baker, 2025-07-01 The Proven Groundbreaking Recovery Curriculum The Celebrate Recovery Participant's Guide Volumes 1-4 Updated Edition now combines all four volumes of The Journey Begins study guides for the essential tool to your personal recovery journey In the complete twenty five lessons of The Journey Begins you will experience all eight of the recovery principles from the Beatitudes developed by John Baker in the Celebrate Recovery program In Volume One Stepping Out of Denial into God's Grace you will experience the first three of the eight recovery principles In Volume Two Taking an Honest and Spiritual Inventory you will experience an in depth look at the fourth principle in the recovery process In Volume Three Getting Right with God Yourself and Others you will move through principles four through six in the recovery process In Volume Four Growing in Christ While Helping Others you will work through the final two principles on the road to recovery More than just maintenance principles seven and eight will help you prevent relapse and give you the necessary tools to help others in their recovery process By working through the lessons and exercises found in each of the four volumes of the Participant's Guide for The Journey Begins you will begin to experience the true peace and serenity you have been seeking restore and develop stronger relationships with others and with God and find freedom from life's hurts hang ups and habits **Celebrate Recovery Updated Participants Guide Set** John Baker, 2005-08 Shrinkwrapped four pack includes one copy of each of the four revised participant's guides
