Three Classic Works by Zora Neale Hurston Zora Neale Hurston, 1991-10-01 Features the author's novel *Their Eyes Were Watching God*, her autobiography *Dust Tracks on a Road*, and her study of African American folklore from Louisiana and Florida, *Mules and Men*.

Zora Neale Hurston: Folklore, Memoirs, & Other Writings (LOA #75) Zora Neale Hurston, 1995-02-01 This Library of America volume with its companion brings together for the first time all of the best writing of Zora Neale Hurston, one of the most significant twentieth-century American writers. In one authoritative set, *Folklore* is the arts of the people Hurston wrote before they find out that there is any such thing as art. A pioneer of African American ethnography who did graduate study in anthropology with the renowned Franz Boas, Hurston devoted herself to preserving the black folk heritage. In *Mules and Men* (1935), the first book of African American folklore written by an African American, she returned to her native Florida and to New Orleans to record stories and sermons, blues and work songs, children's games, courtship rituals, and formulas of voodoo doctors. This classic work is presented here with the original illustrations by the great Mexican artist Miguel Covarrubias. *Tell My Horse* (1938), part ethnography, part travel book, vividly recounts the survival of African religion in Jamaican obeah and Haitian voodoo in the 1930s. Keenly alert to political and intellectual currents, Hurston went beyond superficial exoticism to explore the role of these religious systems in their societies. The text is illustrated by twenty-six photographs, many of them taken by Hurston. Her extensive transcriptions of Creole songs are here accompanied by new translations. A special feature of this volume is Hurston's controversial 1942 autobiography *Dust Tracks on a Road*. With consultation by Henry Louis Gates Jr., it is presented here for the first time as she intended, restoring passages omitted by the original because of political controversy, sexual candor, or fear of libel. Included in an appendix are four additional chapters, one never published, which represent earlier stages of Hurston's conception of the book. Twenty-two essays from *The Eatonville Anthology* (1926) to *Court Order Can't Make Races Mix* (1955) demonstrate the range of Hurston's concerns as they cover subjects from religion, music, and Harlem slang to Jim Crow and American democracy. The chronology of Hurston's life prepared for this edition sheds fresh light on many aspects of her career. In addition, this volume contains detailed notes and a brief essay on the texts.

The Life of Herod the Great Zora Neale Hurston, Deborah G. Plant, 2025-01-07 A never before published novel from beloved author Zora Neale Hurston revealing the

historical Herod the Great not the villain the Bible makes him out to be but a religious and philosophical man who lived a life of valor and vision In the 1950s as a continuation of *Moses Man of the Mountain* Zora Neale Hurston penned a historical novel about one of the most infamous figures in the Bible Herod the Great In Hurston's retelling Herod is not the wicked ruler of the New Testament who is charged with the slaughter of the innocents but a forerunner of Christ a beloved king who enriched Jewish culture and brought prosperity and peace to Judea From the peaks of triumph to the depths of human misery the historical Herod appears to have been singled out and especially endowed to attract the lightning of fate Hurston writes An intimate of both Marc Antony and Julius Caesar the Judean king lived during the first century BCE in a time of war and imperial expansion that was rife with political assassinations and bribery as the old world gave way to the new Portraying Herod within this vivid and dynamic world of antiquity little known to modern readers Hurston's unfinished manuscript brings this complex compelling and misunderstood leader fully into focus Hurston shared her findings about Herod's rise his reign and his waning days in letters to friends and associates Text from three of these letters concludes the manuscript in an intimate way Scholar Editor Deborah Plant's *Commentary A Story Finally Told* assesses Hurston's pioneering work and underscores Hurston's perspective that the first century BCE has much to teach us and that the lens through which to view this dramatic and stirring era is the life and times of Herod the Great
