Zr Rifle The Plot To Kill Kennedy And Castro:

ZR Rifle Claudia Furiati, 1994-01 **Reclaiming History** Vincent Bugliosi, 2007-05-17 For fifty years the truth about the assassination of President John F Kennedy has been obscured This book releases us from a crippling distortion of American history At 1 00 p m on November 22 1963 President John F Kennedy was pronounced dead the victim of a sniper attack during his motorcade through Dallas That may be the only fact generally agreed upon in the vast literature spawned by the assassination National polls reveal that an overwhelming majority of Americans 75% believe that there was a high level conspiracy behind Lee Harvey Oswald Many even believe that Oswald was entirely innocent In this continuously absorbing powerful ground breaking book Vincent Bugliosi shows how we have come to believe such lies about an event that changed the course of history The brilliant prosecutor of Charles Manson and the man who forged an iron clad case of circumstantial guilt around O J Simpson in his best selling Outrage Bugliosi is perhaps the only man in America capable of writing the definitive book on the Kennedy assassination This is an achievement that has for years seemed beyond reach No one imagined that such a book would ever be written a single volume that once and for all resolves beyond any reasonable doubt every lingering question as to what happened in Dallas and who was responsible There have been hundreds of books about the assassination but there has never been a book that covers the entire case including addressing every piece of evidence and each and every conspiracy theory and the facts or alleged facts on which they are based In this monumental work the author has raised scholarship on the assassination to a new and final level one that far surpasses all other books on the subject It adds resonance depth and closure to the admirable work of the Warren Commission Reclaiming History is a narrative compendium of fact forensic evidence reexamination of key witnesses and common sense Every detail and nuance is accounted for every conspiracy theory revealed as a fraud on the American public Bugliosi s irresistible logic command of the evidence and ability to draw startling inferences shed fresh light on this American nightmare At last it all makes sense

The Assassination of President John F. Kennedy: The Final Analysis David W. Mantik, M.D., Ph.D., Jerome R. Corsi, Ph.D., Douglas P. Horne, In this decisive analysis of the JFK assassination medical expert Dr David W Mantik and New York Times bestselling author Jerome R Corsi definitively validate the observations of the physicians at Parkland Hospital who recognized immediately that the wound in JFK s throat and the massive avulsed blow out in the back of his head both involved frontal shots What distinguishes this book from the myriad of books written on the JFK assassination is that Dr Mantik s optical density measurements of the JFK skull X rays in the National Archives leave no doubt the X rays were altered to disguise evidence of the two frontal shots With over four decades of experience reading X rays Dr Mantik has examined the JFK assassination materials more than anyone else Mantik and Corsi present overwhelming testimonial and documentary evidence that proves the Bethesda surgeons performed pre autopsy surgery on JFK s head to remove evidence of the forehead bullet as well as to gain access to his brain and thus sanitize the crime scene by removing bullet fragments

and bullet tracks in the brain tissue The world is starving for objective science This book contains objective forensic science for which the world will never be ready If the X rays were doctored the CIA the FBI and the US Secret Service have some questions to answer The public deserves the nal analysis of these issues James Lyons Weiler PhD The Institute for Pure and Applied Knowledge

Who Really Killed Kennedy? Why the JFK Assassination Still Matters Richard Buyer, 2009 We live in a great country Yet we must have faith and trust in our government or we cannot succeed On the other hand the government must also believe in its own people Both factions must tell the truth For this reason the JFK assassination still matters History cannot be replayed but it can be rewritten Why read another book about the JFK assassination It's simple the major crime of the twentieth century remains unsolved Although the assassination of President John F Kennedy happened in 1963 the reverberations of this horrific event are still felt today Discrepancies and questions about the assassination remain unanswered Was there a conspiracy behind the assassination If so who was involved Why the JFK Assassination Still Matters discusses new ideas showing Lee Harvey Oswald never fired a shot at the president The Warren Commission was a hoax and the single bullet theory was physiologically impossible Strange bedfellows emerged when the CIA formed a coalition with organized crime in an attempt to assassinate Fidel Castro President Kennedy became a threat to very powerful forces when he tried to establish a peaceful coexistence with Russia and Cuba About the Author Dr Richard Buyer has been practicing medicine for over thirty five years The assassination of President John F Kennedy was probably the greatest tragedy he has personally experienced He wrote this book to help his children learn the truth behind this horrific event His daughter Kennedy happened to be born on the anniversary of the assassination It is Dr Buyer's goal

that all children as well as adults will finally learn the truth about the assassination **Sad and Luminous Days** James G. Blight, Philip Brenner, 2007-02-08 In October 1962 school children huddled under their desks and diplomats feverishly negotiated as the world sat on the brink of nuclear war The Cuban Missile Crisis was the most dangerous moment in modern history and resulted in a changed worldview for the United States the Soviet Union and Cuba In tracing the developments of the missile crisis and beyond Sad and Luminous Days presents and interprets a heretofore unavailable and largely unknown secret speech that Castro delivered to the Cuban leadership in 1968 In it Castro reflects on the crisis and reveals the distrust and bitterness that characterized Cuban Soviet relations in 1968 Blight and Brenner frame the annotated speech with an examination of the missile crisis itself and an analysis of Cuban Soviet relations between 1962 1968 ending with an epilogue that highlights the lessons the missile crisis offers us in the current search for security and a stable world order Sad and Luminous Days sheds new light on Cuban Soviet relations and should be required reading not only for Cold War scholars and historians but also for anyone intrigued by the drama of the thirteen momentous days in October 1962 **JFK, Nixon, Oliver Stone and Me** Eric Hamburg, 2002-09-18 JFK Nixon Oliver Stone and Me is the funny thoughtful memoir of an accomplished former Congressional staffer who left D C for Hollywood and a job with Oliver Stone hoping to help make politically Cuba Update , 1994 **Dead Wrong** Richard Belzer, David Wayne, 2012-08-14 A New York Times Best Seller

Act of Retribution J.P. Phillips, 2010-03-17 My quest for an answer to the riddle of President Kennedys assassination first began in April 1967 following a talk given by Warren Commission critic and best selling author Mark Lane at Michigan State University where I was a graduate student My search has lasted well over twenty years Gathering every scrap of information I could find on the assassination I have arrived at what I believe is the most credible thesis to date As a result of meticulous research I am able to identify probable suspects in what I have come to believe was a far reaching conspiracy which involved not only renegade elements from the CIA and organized crime figures but one which extended to the highest echelons of the U S government By pulling together existing knowledge of the assassination while introducing new evidence my book focuses primarily on six main principals persons of interest their motives and their activities in relation to the assassination and the links that connect them 1 LEE HARVEY OSWALD Accused by the Warren Commission In 1964 of being the sole assassin of President Kennedy 2 JACK RUBY Dallas night club owner who two days following the Presidents assassination shot and killed Oswald 3 CARLOS MARCELLO Reputed crime boss of the New Orleans Dallas Mafia during the time of the assassination 4 GENERAL CHARLES PEARE CABELL Deputy Director of the CIA from 1953 to 1962 when he was dismissed by President Kennedy along with other high ranking intelligence officials for the failure of the Bay of Pigs invasion 5 EARLE CABELL Younger brother of General Charles P Cabell who was Mayor of Dallas the day President Kennedy was assassinated 6 FRED KORTH Fort Worth businessman and banker who was Secretary of the Navy from 1962 to October 1963 when he was forced by President Kennedy to resign for his involvement in the TFX controversy As to the motives of those

individuals involved in the Presidents murder I believe that the assassination was planned and carried out with a dual purpose in mind 1 as an act of vengeance by those ex high government officials who were dismissed by the President either for alleged wrongdoing as in the case of Fred Korth or for incompetence as in General Cabells case 2 to prevent the Presidents domestic and foreign policies particularly in reference to his stand on the Vietnam conflict from being implemented Viewed in this light the assassination of President Kennedy was an act of retribution by a group of mean spirited vengeance seeking individuals who acted in the misguided belief that by assassinating this president they were furthering the national interest Notwithstanding his immense popularity with the American people President Kennedy was perceived by his killers to be a clear and present danger to the country and to its interests at home and abroad for several reasons for his stand on civil rights and racial equality for his attempt to closely regulate the oil and gas industry for his desire to normalize relations with Cuba for his desire to ease tensions between the superpowers through a reduction in armaments for his crackdown on organized crime for his stated intention to withdraw U S forces from Vietnam Removing him from office by political murder therefore excused his killers in their own eyes from any wrongdoing for by killing this President they were convinced that they were acting in the national interest against the seemingly dangerous policies of a chief executive who if allowed to finish his presidency would lead the nation to ruin A wise mind will never censure anyone for having employed any extraordinary means for preserving a kingdom Believing like Machiavelli that they were acting to preserve and maint

JFK: The French Connection Peter Kross, 2012-07-24 Ten months after the assassination of John F Kennedy the Warren Commission reported that Lee Harvey Oswald alone killed the president on November 22 1963 in Dallas Texas Oswald had no confederates nor did any foreign power aid him in his deadly deed Case closed However what most Americans do not know is that one day after the assassination the FBI deported a known French assassin a member of the militant anti Charles de Gaulle organization called the OAS Jean Souetre was sent to either Mexico or Canada He was involved in anti de Gaulle terrorist activities in Europe and even tried to recruit the CIA in his efforts to oust the French President During his career he used at least 11 identities including those of two real people Why was a known French assassin in Dallas on the exact day that the president of the United States was killed and what role if any did he play in the monstrous deed This book delves into three major areas of study 1 the investigation of Jean Souetre and the two other men whose identities he used 2 the investigation of the identities of two European assassins QJ WIN and WI ROUGE and their use in the CIA s assassination unit called ZR RIFLE Executive Action and 3 the role of the CIA in the drug trade after World War II Chapters include The First Assassin The Mafia and Uncle Sam The Heroin Trail MKULTRA QJ WIN and Patrice Lumumba The US Senate Select Committee on Intelligence Assassination Reports The CIA and Lumumba Who Was Souetre Who Was Mertz The Steve Rivele Investigation The Guns of Dallas more
