NAVY BE ENLISTED IN A GRADE NOT LOWER THAN THAT HELD IMMEDIATELY PRIOR TO APPOINTMENT THEREFORE THE FIRST THREE YEARS AS A WO IS A PROBATIONARY PERIOD AND THE APPOINTMENT TO WO WILL BE TERMINATED IF A MARINE DOES NOT COMPLETE THE REQUIREMENTS OF THE WOBC

WOBC MISSION STATEMENT

Train and educate newly appointed warrant officers in the high standards of professional knowledge esprit de corps and leadership required to transition from enlisted Marine to officer with particular emphasis on the duties responsibilities and warfighting skills required of a provisional rifle platoon commander

The Warrant Officer Basic Course

The WOBC is an eighteen week course that focuses on the transition from enlisted Marine to Marine officer

TBS and the WOBC focus on five horizontal themes that define expectations of all Marine Officers

- 1 a man woman of exemplary character
- 2 devoted to leading Marines
- 3 able to decide communicate and act in the fog of war
- 4 a Warfighter who embraces the Corps warrior ethos
- 5 mentally strong and physically tough

The universal concept that Marine Officers must be able to assess situations weigh the pros and cons of various decisions make a decision develop a plan communicate that plan effectively and supervise its execution is stressed and exercised throughout the course

The course will teach the science and art required for service of Marine Officers with an emphasis on decision making throughout

Provisional infantry and planning subjects are together used as the means or vehicle to teach and evaluate this process

Since all students are evaluated on leadership as Marine Officers physical mental and emotional stress are incorporated throughout the course in order to evaluate the ability to lead in chaotic and stressful environments

Some individuals will be pushed close to their failing point but the WOBC is designed to give students an opportunity to display positive leadership qualities in the face of adversity

The WOBC is not a check in the block

It is a course designed to provide students with the learning experiences necessary to effectively transition to service as a Marine Officer

Students who do not successfully complete the course face a variety of administrative actions including repetition of the course recycle to a six month lieutenant Basic Officer Course revocation of appointment or separation from the service

The WOBC curriculum is an academically rigorous provisional infantry and staff planning based program of instruction

POI which consists of approximately 935 hours of formal instruction

The POI includes classroom instruction field exercises sand table exercises and discussion groups

Classroom instruction is designed around the flipped classroom model

21st Century U.S. Military Manuals Department of Defense, U. S. Military, U. S. Marine Corps, 2017-09-26 This U S Marine Corps doctrinal manual covers command and control It describes a theory and philosophy of command and control for the U S Marine Corps Put very simply the intent is to describe how we can reach effective military decisions and implement effective military actions faster than an adversary in any conflict setting on any scale In so doing this publication provides a framework for all Marines for the development and exercise of effective command and control in peace in crisis or in war This publication represents a firm commitment by the Marine Corps to a bold even fundamental shift in the way we will view and deal with the dynamic challenges of command and control in the information age The Marine Corps view of command and control is based on our common understanding of the nature of war and on our warfighting philosophy as described in Marine Corps Doctrinal Publication 1 Warfighting It takes into account both the timeless features of war as we understand them and the implications of the ongoing information explosion that is a consequence of modern technology Since war is fundamentally a clash between independent hostile wills our doctrine for command and control accounts for animate enemies actively interfering with our plans and actions to further their own aims Since we recognize the turbulent nature of war our doctrine provides for fast flexible and decisive action in a complex environment characterized by friction uncertainty fluidity and rapid change Since we recognize that equipment is but a means to an end and not the end itself our doctrine is independent of any particular technology Taking a broad view that accounts first for the human factors central in war this doctrine provides a proper framework for designing appraising and deploying hardware as well as other components of command and control support Marine Corps Manual United States.
