Waiting For Lefty Script:

Waiting for Lefty Clifford Odets, 1962 THE STORY The action of the play is comprised of a series of varied imaginatively conceived episodes which blend into a powerful and stirring mosaic The opening scene is a hiring hall where a union leader obviously in the pay of the bosses is trying to convince a committee of workers who are waiting for their leader Lefty to arrive not to strike This is followed by a moving confrontation between a discouraged taxi driver who cannot earn enough to live on and his angry wife who wants him to show some backbone and stand up to his employer a revealing scene between a scheming boss and the young worker who refuses to spy on his fellow employees a sad funny episode centering on a young cabbie and his would be bride who lack the wherewithal to get married a disturbing scene involving a senior doctor and the underpaid young intern a labor activist whom the doctor has been ordered to discharge and finally a return to the union hall where the workers learning that Lefty has been gunned down by the powers that be resolve at last to stand up for their rights and to strike and to stay off their jobs until their grievances are finally heard and acted upon by those who have so cynically exploited and misused them **Hearings** United States. Hearings [and Reports] 82nd Congress, 2nd Session United States. Congress. House. Committee on Un-American Activities, 1952 Communist Infiltration of Hollywood Motion-picture Industry United States. Congress. House. Committee on Un-American Activities, 1951 Script for Scandal Renee Patrick, 2019-11-01 Sleuthing duo Lillian Frost and Edith Head investigate a behind the scenes scandal in this delightful Golden Age of Hollywood mystery 1939 Los Angeles Lillian Frost is shocked when her friend glamorous costume designer Edith Head hands her the script to a new film that s about to start shooting Streetlight Story is based on a true crime the California Republic bank robbery of 1936 Lillian s beau LAPD detective Gene Morrow was one of the officers on the case his partner Teddy was tragically shot dead It seems the scriptwriter has put Gene at the centre of a scandal twisting fact with fiction or has he With Gene reluctant to talk about the case the movie quickly becoming the hottest ticket in town a suspicious death on the Paramount studio lot and the police reopening the investigation into Teddy s death Lillian is determined to find answers Can Lillian and Edith uncover the truth of what happened that fateful day and clear Gene s name **Rediscovering Mordecai Gorelik** Anne Fletcher, 2009-03-30 Rediscovering Mordecai Gorelik explores the life and work of the pioneering scene designer whose career spanned decades in American theatre Anne Fletcher s insightful volume draws intriguing parallels and contrasts between Gorelik s

productions and the theatrical movements of the twentieth century exposing the indelible mark he left on the stage Through in depth analysis of his letters diaries designs and theoretical works Fletcher examines the ways in which Gorelik s productions can be used as a mirror to reflect the shifting dramatic landscapes of his times Fletcher places Gorelik against the colorful historical backdrops that surrounded him including the avant garde movement of the 1920s World War II the Cold War and absurdism using the designer s career as a window into the theatre during these eras Within these cultural contexts Gorelik sought to blaze his own unconventional path through the realms of theatre and theory Fletcher traces Gorelik s tenures with such companies as the Provincetown Players the Theatre Guild and the Theatre Union as well as his relationships with icons such as Bertolt Brecht revealing how his interactions with others influenced his progressive designs and thus set the stage for major dramatic innovations In particular Fletcher explores Gorelik s use of scenic metaphor the employment of stage design techniques to subtly enhance the tone or mood of a production Fletcher also details the designer s written contributions to criticism and theory including the influential volume *New Theatres for Old* as well as other articles and publications In addition to thorough examinations of several of Gorelik s most famous projects *Rediscovering Mordecai Gorelik* contains explications of productions by such legends as John Howard Lawson Clifford Odets and Arthur Miller Also included are numerous full color and black and white illustrations of Gorelik s work most of which have never been available to the public until now More than simply a portrait of one man this indispensable volume is a cultural history of American theatre as seen through the career of a visionary designer and theoretician

I Don't Need an Acting Class Milton Justice, 2021-11-01 *I Don't Need an Acting Class* explores critical aspects of the technique of acting utilizing conversations via email with countless actors Some are aspiring students others are seasoned professionals The conversations document the challenges these diverse actors face as they digest what they have learned in a class or rehearsal while exploring in practical terms how to use their growing technique Milton Justice first began receiving emails from actors in 2008 In this book Justice brings together email conversations between teacher and student along with observations and commentary about acting technique and craft Not all of the emails in the book are overly thought out or complete Quite the contrary they are meant to capture the feeling of a living breathing process as it happens When an actor sends a teacher or director an email with a problem be it a simple comment or confusion it is evidence of a creative artist exploring new ground Many years ago Stella Adler sent Justice a letter in response to a panicked note he had written to her while lost in the weeds during rehearsals for a new play She set a tone for him as she succinctly defined the problem and reminded him of its elegant solution He was overwhelmed by the care she had given him That letter still hangs over his desk perfectly demonstrating the power of a written exchange between a teacher and a student
