Waiting For The Apocalypse A Memoir Of Faith And Family

Veronica Chater

Waiting For The Apocalypse A Memoir Of Faith And Family:

Waiting for the Apocalypse: A Memoir of Faith and Family Veronica Chater, 2009-02-02 Recounts the author's unusual early life growing up in a large very conservative Catholic family soon after the changes resulting from the Second Vatican Council dealing with the family's extreme reaction to these changes with humor and openness *Waiting for the Apocalypse* Veronica Chater, 2009-02-02 Growing up Catholic in a family where the reforms of Vatican II are seen as the work of Satan It is 1972 and Veronica Chater's parents believe that Vatican II's liberalization has corrupted the Catholic Church inviting the Holy Chastisement an apocalypse prophesied by three shepherds in Fatima Portugal To spare his family this horror Veronica's father quits the highway patrol sells everything and moves the family of eight from California to an isolated village near Fatima But Portugal is no Catholic utopia and the family schleps home penniless to join the nascent Catholic counterrevolution attending the Latin Mass in truck garages and abandoned buildings serving meals to religious soldiers breeding a new member of the faithful every year As Veronica comes of age on the fringes of the American Dream she rebels against a fanaticism that forbids anything modern clothes movies or music This is the story both sad and funny of a family torn apart by religion and brought back together in spite of the injuries it inflicted on itself **Spirituality and the Writer**

Thomas Larson, 2019-03-29 Today the surprisingly elastic form of the memoir embraces subjects that include dying illness loss relationships and self awareness Writing to reveal the inner self the pilgrimage into one's spiritual and or religious nature is a primary calling Contemporary memoirists are exploring this field with innovative storytelling rigorous craft and new styles of confessional authorship Now Thomas Larson brings his expertise as a critic reader and teacher to the boldly evolving and improvisatory world of spiritual literature In his book length essay *Spirituality and the Writer* Larson surveys the literary insights of authors old and new who have shaped religious autobiography and spiritual memoir from Augustine to Thomas Merton from Peter Matthiessen to Cheryl Strayed He holds them to an exacting standard they must render transcendent experience in the writing itself Only when the writer's craft prevails can the fleeting and profound personal truths of the spirit be captured Like its predecessor Larson's *The Memoir and the Memoirist* *Spirituality and the Writer* will find a home in writing classrooms and book groups and be a resource for students teachers and writers who seek guidance with exploring their spiritual lives **Saints As They Really Are**

Michael Plekon, 2012-05-15 In his new book *Saints As They Really Are* priest and scholar Michael Plekon traces the spiritual journeys of several American Christians using their memoirs and other writings These saints in the making show all their doubts and imperfections as they reflect on their search for God and their efforts to lead holy lives They are gifted yet ordinary women and men trying to follow Christ within their flawed and broken humanity saints as they really are as Dorothy Day put it *Saints As They Really Are* is the third book in Plekon's critically acclaimed series on saints and holiness in our time He draws on the autobiographical work of Dorothy Day Peter Berger Thomas Merton Kathleen Norris and Barbara Brown Taylor among others as well as from his own experiences

as a Carmelite seminarian and brother Plekon shares the power of these individuals stories as they unfold The book offers a strong argument that our failings and weaknesses are not disqualifications to holiness Plekon further confronts the institutional church and its relationship to individuals seeking God focusing on some of the challenges to this search the destructive potential of religion and religious institutions as well as our personal tendencies to extremism overwork pious obsessions and legalism But he also underscores the healing qualities of faith and the spiritual life Plekon s insights will help readers better understand their own spiritual pilgrimages as they learn how others have dealt with the trials and joys of their path to everyday holiness

When Art Disrupts Religion Philip S. Francis, 2017-02-01 The stories gathered in these pages lay bare the power of the arts to unsettle and rework deeply ingrained religious beliefs and practices This book grounds its narrative in the accounts of 82 Evangelicals who underwent a sea change of religious identity through the intervention of the arts There never would have been an undoing of my conservative Evangelical worldview confides one young man without my encounter with the transcendent work of Mark Rothko on that rainy afternoon in London s Tate Modern The characters in *The Brothers Karamazov* began to feel like family to me reports another individual and the doubts of Ivan Karamazov slowly saturated my soul As their stories unfold the subjects of the study describe the arts as sources of by turns defamiliarization comfort in uncertainty a stand in for faith and a surrogate transcendence Drawing on memoirs interviews and field notes Philip Salim Francis explores the complex interrelationship of religion and art in the modern West and offers an important new resource for on going debates about the role of the arts in education and social life
