Waiting Longing Love Russell Lanier:

Waiting to Die Longing to Love Russell K. Lanier, 2015-11-30 I got out of jail in north Alabama It s my fifth Driving Under the Influence charge My jail time is too short just two days The fine is too low just 750 The judge is lenient and my lawyer is skilled He works out a plea deal so a conviction will never appear on my driving record This misadventure is merely the latest experience in a life not worth living I am only one of 23 million people in the United States burdened with the deadly disease of addiction That s roughly thirteen percent of the population I won t live long if I keep using and I m not sure I want to live even if I stop I ve seen others kick their habits but at age forty nine I am overweight and unemployed a hopeless case I am waiting to die but longing to live and love The story you are about to read tells how I finally got clean and sober from both drugs and alcohol As you read each chapter you will discover several things that may help you understand the mind of a drug addict It s about healing and how I came to understand that the thing I needed to be saved from most is me So come along with me now as I hold your hand and take you with me on my road to recovery You will see addiction s true personality as I turn the spotlight on this monster Hold on tight because it s going to be one hell of a roller coaster ride
