know however that trouble is brewing back home Out of nowhere a brutal new faction has attacked Woodbury while Lilly and the others have been off repairing the railroad Now the barricades are burning Adults have been murdered children kidnapped But why Why subject innocent survivors to such a random unprovoked assault Lilly Caul and her ragtag posse of rescuers will soon discover the chilling answers to these questions and more as they launch a desperate mission to save the kidnapped children But along the way the dark odyssey will take them into a nightmarish series of traps and hellish encounters with incomprehensible swarms of undead And as always in the world of the Walking Dead the walkers will prove to be the least of Lilly s problems It s what the human adversaries have in store for her that will provide Lilly s greatest challenge yet
