Walking Point A Spiritual Journey For Warriors:

Walking Point Chuck Dean, 2007-01-15 Walking Point takes warriors on a 39 week journey of individual and group training. It is a series of studies designed to help active duty military and veterans equip themselves spiritually. **The Way of the Mindful Warrior** William Van Gordon, Edo Shonin, 2020-12-02 The Way of the Mindful Warrior provides a fresh authentic and structured path to using mindfulness to embrace living in awareness and reconnecting with our innermost nature of peace, wisdom, and compassion. Mindfulness is a 2,500 year old Buddhist meditation practice that involves focusing awareness on the present moment, the only place where an individual can truly embrace and experience life. In recent decades, mindfulness has gained popularity amongst scientists, healthcare practitioners, and the public more generally. An abundance of popular books has subsequently emerged, providing different interpretations of how to practice mindfulness and apply it in daily living contexts. However, most current approaches to mindfulness have removed it from its traditional spiritual context or overlook important scientific insights from research into this ancient contemplative technique. The Way of Mindful Warrior addresses this oversight and integrates the traditional Buddhist teachings on mindfulness with emerging insights from the scientific study of mindfulness, wellbeing, and the human mind. This book is timely and presents a fresh, easily digestible and structured path to using mindfulness not only as a tool for coping with the stresses and strains of contemporary living but also as a means to cultivating unconditional wellbeing and for flourishing as a human being. The Warrior and the Wolf Rich Hungerford, 2021-05-28 There is an arduous path that warriors walk, no matter where they live in the world. True warriors seek to learn what serves them and what does not, what is selfish and what is selfless, and how to decide in favor of light over dark. Like everyone else, the warrior owns the consequences, good or bad. In a how-to manual, modern-day warrior Rich Hungerford offers guidance and support to a new era of warriors desiring to positively impact the world while navigating the challenges of life. Intertwined with his often deeply personal insights gathered from his own life journey is philosophical guidance on how to successfully walk the warrior's path. Within the three stages of the journey, Hungerford candidly describes both the difficulties and rewards that accompany a warrior's commitment to personal growth, provides an awareness of the importance of developing the mind, body, and spirit along the way, and encourages the acceptance of and surrender to a personal destiny with grace. The Warrior and the Wolf shares wisdom, insights, and advice for warriors seeking guidance on how to walk a spiritual path to develop the higher self, live true, and truly live. Sky,2021-01-20 Growing up I knew two things to be true My dad was a drunk Being an Indian was complicated When I joined the Navy these two ideas were cemented when my fellow sailors after finding out that I was an American Indian would ask me if I drank a lot or if I still lived in a TeePee They were asking questions because that s what they knew and I couldn t blame them I could only answer no to both These questions posed by my curious new friends made me wish that I knew more about my background about me Dad tried to teach us the language the culture what it meant to be Ojibwe But no one wants to learn from a drunken Indian least of all me Then in the winter of 1980 my dad nearly died When he awoke everything changed This is his story Warrior Spirit Rising is the inspiring true account of Gene Goodsky as told through the eyes of his oldest daughter Dianna Gene was raised in the North Woods of Minnesota on the tribal lands of the Bois Forte Band of Chippewa Surviving years of cultural genocide racism and the Vietnam War left him broken battling severe PTSD and alcohol abuse In this stunning tale of Native American perseverance Good Sky unravels the history of her father her family and her people and the near death experience that would change their lives forever With both wit and honesty she explores the devastating loss of heritage that has impacted generations of Native Americans and how the powerful choice to forgive can leave a legacy **Wiccan Warrior** Kerr Cuhulain,2000 Written by a Wiccan police officer and martial artist Wiccan Warrior

Walking in Your Anointing Dr. David E. Schroeder,2025-01-31 There is no subject more important to contemporary Christianity than the person and work of the Holy Spirit The old saying is still true Christianity is hopeless without the Holy Spirit Dr David Schroeder masterfully handles the subject in a way that both informs and inspires You will be blessed by this book Jim Cymbala Senior Pastor The Brooklyn Tabernacle Whenever godly leaders point us back to the Holy Spirit the sweet

communion of spiritual intimacy along with the peaceful outcome of good teaching cause us to graduate into a more dynamic level of Christian effectiveness As I read Walking in Your Anointing Dr Schroeder s skillful use of the Scriptures broad personal experience and sensitivity towards the psychological dynamics surrounding how human beings change moved me to expect more supernatural activities of the Holy Spirit in my own life and ministry It will have the same impact on you David D Ireland Ph D Senior Pastor of Christ Church Montclair NJ and author of Journey to the Mountain of God *Shot Through The Heart* Linda Porter,2008-07 Linda Porter the author of Angels Beings of Light has returned along with her merry band of angels known as Us This time the tale is so mystical so seemingly mythological that you would swear it is a fictional account But it is not It is a story about finding the Light in unexpected places and in unexpected faces a chronicle of one woman s journey further into the Light than she could ever have imagined When describing her unusual journey Linda says I believe that God creates the path that is best suited to each of us I acknowledge that God frequently has to take me off the beaten path and even though I don t always understand the ways of others I try to honor them Who am I to disagree Join her as she chronicles her ongoing spiritual journey with entries as varied as Wrestling with Angels Speaking from the Heart Vampires as a Path to God The Light Moving Beyond the Pain The Dalai Lama and more Most are accompanied with angelic commentaries of course This story could not have been written without them You might want to fasten your seat belt The angels have promised a wild ride but a safe and loving journey Enjoy Indulge Learn Cover design by Matt Porter For more information please email info@mathewporter.info **Thought Perspectives of a Spiritual Warrior** Johnny Grady,2020-11-04 From what I can remember this whole writing thing began around 2009 2010 It all started as a trickle of Facebook postings Mostly uplifting messages and quotes from other people and very occasionally I would share my own unique perspective Although social media is littered with trivial mundane information I m very appreciative of these platforms and choose to use them for the dissemination of more uplifting and inspirational subject matter Interestingly enough prior to the digital age it was a real challenge for me to write even a few sentences on a consistent basis let alone an entire paragraph But little did I know that in 2014 that trickle of inspirational insights would literally turn into a waterfall which still remains consistent till this day And some of my insights and observations are shared in the pages that follow Welcome to my world
