expecting you **The Blaise Conjunction** Richard Leviton, 2013-07-18 The councilors had placed a book upon the table its cover pale blue edged in silver The title was The Theosophon They slid it towards me Philomena Wilcox Ph D retired professor of music pianist passionate devotee of Russian composers like Scriabin and Rachmaninov thinks she is merely editing a series of prolix journals by the desert recluse Blaise One day in 2029 she took delivery of 7 000 pages of his arcane diary entries spanning a 20 year period His story what he thinks and writes about is exceedingly odd mystical and perplexing He is anticipating a planetary event to take place in 2033 Soon enough Philomena discovers she impossibly is part of this story in fact will be a keystone in this epochal event Its as if through the journal pages Blaise talks directly to her and pulls her into his world of wisdom angels geomantic patterns and designer planets The pages are encoded with activation triggers Over a three year period she starts to remember her true story her astonishing past Its a nonstop tutorial in the Mysteries Taught by the human Blaise and his angelic mentors also called Blaise seemingly right now in the present moment Except upwards of 35 years or more separate them in the world of linear time Her familiar world starts to fall apart The event is called the Theosophon Blaise writes about it but she designed it Thats startling enough but Philomena is astonished to remember that she designed it eons ago in another galaxy The Earth was created as a performance stage for it The Theosophon is a multidimensional musical event involving the collective consciousness of humanity the Earth and the spiritual world The overture of the fulfillment of the purpose of the Earth and humanity Yes Philomena is an integral part of this unique event but it will cost her more than she ever thought possible *1920s Annandale: A Short Walk* Marghanita da Cruz, 2014-06-30 1920s Annandale was a busy place There was the retail strip along Parramatta Road the timber businesses on the harbour In between there were builders fibrous plasterers stonemasons and the Pictures Confectionery Jam Pianos and Radios were all being made in Annandale Though change was coming motor vehicles were crashing into pedestrians and posts and injuring their occupants Annandale remembered those who did not return from the War The Angel of Durban came to say hello to some who did Annandale is a small suburb in Sydney whose history dates back to the arrival of the first fleet in Australia 1920s Annandale is the fourth book in a series of walks Each book covers a decade of Annandale s History Marghanita da Cruz has been recording an Anecdotal History of Annandale since 1998 Marghanita guided this short walk at the 2014 Annandale Heritage Festival *A Walk in the Garden* Paul Morris, Deborah Sawyer, 1992-05-01 This collection of essays by notable scholars offers a unique multi faceted approach to the understanding of the Garden story Starting with the motifs context structure and language of the biblical text itself the chapters trace the Jewish and Christian exegetical traditions and developments in literature and iconography This is an invaluable book for students and scholars of biblical studies theology literature art history and the psychology of religion **Theosophon 2033** Richard Leviton, 2015-08-20 Its September 29 2033 and the Earth and humanity have entered a cathedral of Light 1 000 light years tall and wide One Saturday morning in June 2040 Boston editor Edward Burbage is visited by an enigmatic traveller calling himself Blaise Hes

been off the planet for 20 years helping to orchestrate a unique event called the Theosophon Now hes here to tell his story and what happened in 2033 when Earth reality changed This Blaisehes clearly a human age about 90 yet hes not in a human body anymore at least not a physical one He claims to have spent much of the last 20 years commuting from his home planet in the Celaeno system in the Pleiades to Earth Why the Pleiades Because thats where the prime designers of the Earth reside and the Theosophon a kind of galactic musical event a song fest of the gods is the next step in the perfection of this design for consciousness The only reason Burbage believes him is that he has had a bit of a wild adventure himself Copies of his newly published book describing this sit on his coffee table Hes seen this intriguing Blaise a few times in the past and in fact hes edited two of his posthumous books Burbage notes It wasnt that Blaise had a mystery to reveal to me he was the mystery Everything about him As the narration ripens over the next three years Burbage is astonished to learn he was a key participant in the event even though up until this moment he had no memory of it Blaise changes all that The Theosophon he says was like a subtle slow motion psychic earthquake rumbling just beyond the border of normal perception like a band of angels were shaking the Earth It lasted a day in terms of peak intensity but it is still happening years later *What's Beyond That Star* Richard Leviton,2002-08-29 Carlos Castaneda meets Jack Kerouac in an unforgettable true story a metaphysical quest for the Grail through initiation and inner vision Disillusioned with his life as an entrepreneur in the mid 1980s Richard Leviton headed for the ancient Celtic town of Glastonbury England on a quest for meaning Arriving on Easter Sunday his rebirth as a modern Grail knight was soon to begin What s Beyond That Star records the true story of Leviton s spiritual awakening and his subsequent adventures on a metaphysical search for the Holy Grail tracing his inner and outer journeys Guided by a psychic friend and the family of angels whom he comes to know as Blaise Leviton finds himself initiated into new realms of consciousness One day he is an ordinary person relying on the relatively dense perception of the five senses the next he is living in a world full of angels gnomes demons and dragons Hooligans, Doormen, and the Ten-Metre Walk Elvis Webley,2013-07-16 I was once part of a notorious group that visited football grounds around Britain Meeting with the opposition fans for well let s just say it wasn t to share stories over a cup of tea and biscuits I was also a very well known doorman working the rave and city centre nightclubs I have compiled some interesting scenarios that we encounter during our lives and I will try to offer some help and advice to anyone who is willing to listen You re in a situation where running is out the question and the only means of survival is to fight for your life This is the situation you ve been eagerly waiting for how will you react Will you stand and battle which could result in a loss of life or will you run and risk serious retribution Whatever decision you make represents the passing or failing of life s Ten Metre Walk This is the distance between battle and bottle It also represents the fight or flight syndrome or a possible flatline in the local hospital The situation faced is met by many doormen as well Shall we sort these lads out or do we let them take the piss Either scenario is met with the Ten Metre Walk How will you make yours **Kelly's directory of Leeds and its neighbourhood. 2nd-38th ed** Kelly's

Tours ... Rome, Watertown & Ogdensburg Railroad Company,1886 *Blake: The Complete Poems* W.H. Stevenson,2014-05-12 William Blake 1757 1827 is one of the great figures in literature by turns poet artist and visionary Profoundly libertarian in outlook Blake s engagement with the issues of his day is well known and this along with his own idiosyncratic concerns flows through his poetry and art Like Milton before him the prodigality of his allusions and references is little short of astonishing Consequently his longer visionary poems can challenge the modern reader who will find in this avowedly open edition all they might need to interpret the poetry W H Stevenson s Blake is a masterpiece of scrupulous scholarship It is as the editor makes clear in his introduction designed to be widely and fluently read and this Third Edition incorporates many changes to further that aim Many of the headnotes have been rewritten and the footnotes updated The full texts of the early prose tracts All Religions are One and There is no Natural Religion are included for the first time In many instances Blake s capitalisation has been restored better to convey the expressive individuality of his writing In addition a full colour plate section contains a representation of Blake s most significant paintings and designs As the 250th anniversary of his birth approaches Blake has perhaps more readers than ever before Blake The Complete Poems will stand those readers new and old in good stead for many years to come **Jerusalem** William Blake,1904 *Not For Tourists Guide to London 2023* Not For Tourists,2022-11-01 With details on everything from Big Ben to Brick Lane this is the only
