Walt Disney's Cinderella Cynthia Rylant, 2015-01-27 This is a story about darkness and light about sorrow and joy about something lost and something found This is a story about love Cinderella's story has been told over and over but never has it been touched by the kind of magic created by the contributors of this book Mary Blair painted the original pictures for Walt Disney's incomparable animated film and here her elegant art is gathered together as a picture book Cynthia Rylant's stories about hardscrabble lives have won not only awards and honors but hearts Who better to take a young girl from the darkness of her garret room to the light and brilliance of a ballroom Together these two great artists have created something quite astonishing a Cinderella that is breathtaking heartrending and joyous both for those who are coming to the tale for the very first time and for those who think they know it well The Publishers Weekly, 2005 Gender and Female Villains in 21st Century Fairy Tale Narratives Natalie Le Clue, Janelle Vermaak-Griessel, 2022-02-11 For every hero there is a villain and for every villain there is a story But how much do we really know about the villain Filling a gap in the field of gender representation and character evolution the chapters in this edited collection focus on female villains in the fairy tale narratives of 21st Century media *Folktales of the Jews, V. 3 (Tales from Arab Lands)* Dan Ben Amos, 2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible Lloyd E Cotsen The Maurice Amado Foundation National Endowment for the Humanities and the National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa Yemen Lebanon Syria and Iraq in the latest volume of the most important collection of Jewish folktales ever published This is the third book in the multi volume series in the tradition of Louis Ginzberg's timeless classic *Legends of the Jews* The tales here and the others in this series have been selected from the Israel Folktale Archives IFA named in Honor of Dov Noy at The University of Haifa a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale's cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This series is a monument to a
