Art of Naming: Finding the Perfect Name for Your Child Hseham Amrahs, 2024-01-07 The inspiration for this handbook came from my personal experience of naming my children. As a parent, I found myself overwhelmed by the abundance of name options available and the pressure to choose the perfect name. Through my research and conversations with experts in the field, I discovered that there is no one right way to choose a name. Instead, it is about finding a name that has meaning and purpose for the parents and their child. This handbook is divided into several chapters, each exploring a different aspect of the naming process. The first few chapters focus on the importance of choosing a name with meaning and purpose, considering factors such as family heritage, cultural traditions, and the impact of technology and social media on names. Subsequent chapters examine the influence of popular culture, the significance of a child's name in shaping their identity, and the role of consultation with family and friends in making the naming decision.
