Unequal Ageing In Europe Womens Independence And Pensions:

Unequal Ageing in Europe G. Betti, F. Bettio, T. Georgiadis, P. Tinios, 2015-01-08 While much is known about the situation in the labour market in the form of gender pay and earnings gaps rather little is understood about their sequel in old age the gender pension gap Entering the world of pensions may well signal a step backwards as far as women's independence is concerned particularly in countries where women have earned economic independence in employment and are now being confronted by institutional frameworks presuming encouraging or even imposing dependence *Unequal Ageing in Europe* explores the gender pension gap across the member states of the European Union plus Iceland and Norway Employing microdata from the Survey of Income and Living Conditions EU SILC along with data from the Survey of Health Ageing and Retirement in Europe SHARE the authors derive key facts regarding pension inequality between women and men An intuitive indicator for a pension gender gap is derived and contrasted with equivalent indicators for pay and earnings gaps The authors explore European diversity in a number of dimensions and benchmark their findings against equivalent findings in the US

Extended Working Life Policies Áine Ní Léime, Jim Ogg, Martina Rašticová, Debra Street, Clary Krekula, Monika Bédiová, Ignacio Madero-Cabib, 2020-02-28 This open access book addresses the current debate on extended working life policy by considering the influence of gender and health on the experiences of older workers Bringing together an international team of scholars it tackles issues as gender health status and job occupational characteristics that structure the capacity and outcomes associated with working longer The volume starts with an overview of the empirical and policy literature continues with a discussion of the relevant theoretical perspectives includes a section on available data and indicators followed by 25 very concise and unique country reports that highlight the main extended working life EWL research findings and policy trajectories at the national level It identifies future directions for research and addresses issues associated with effective policy making This volume fills an important gap in the knowledge of the consequences of EWL and it will be an invaluable source for both researchers and policymakers

Economics and Ageing José Luis Iparraguirre, 2019-11-29 This upper level textbook provides a coherent introduction to the economic implications of individual and population ageing Placing economic considerations into a wider social sciences context this is ideal reading not only for advanced undergraduate and masters students in health economics and economics of ageing but policy makers professionals and practitioners in gerontology sociology health related sciences and social care This volume introduces topics in labour economics including the economic implications of ageing workforces It covers pension economics and pension systems with their macroeconomic and distributive effects and the question of risk Finally it describes macroeconomic consequences of ageing populations on aggregate saving inflation international trade and financial markets

The Oxford Handbook of Modern Greek Politics Kevin Featherstone, Dimitri A. Sotiropoulos, 2020-10-09 The Oxford Handbook of Modern Greek Politics is a major new contribution to the study of contemporary European and Greek politics This edited volume contains 43

chapters written by Greek and foreign academics foremost in their field After an introductory section offering a frame of analysis the volume includes sections on political institutions traditions and party families political and social interest groups policy making and policy sectors external relations and Greece s most important political leaders of the period between the 1974 transition to democracy and today It will be an invaluable reference for scholars new and established as well as for the informed reader around the world This work offers the most comprehensive approach to the subject to this day Drawing on data and analysis previously available only in national sources Greek books articles and other primary and secondary sources in combination with international data it allows international scholars of politics international relations society and economy to integrate the case of Greece in their own projects and facilitates the search of any informed reader who seeks a reliable updated source on Modern Greece

Working with Domestic Violence and Abuse Across the Lifecourse Lorraine Radford, Dr Ravi Thiara, 2021-06-21 Spanning children s and adult s services this book explores the nature and impact of domestic abuse and violence DVA throughout the lifecourse It highlights evidence informed practice and serves as an accessible and invaluable resource for all working with and supporting those dealing with DVA Structured around three core themes of coercive control developmental experiences of violence and the importance of an intersectional understanding of DVA this book highlights the need for a coordinated whole family approach in safeguarding work in this area Chapters move through different stages of life addressing topics such as children living with domestic violence abuse in young people s relationships mental illness substance use and adolescent to parent abuse Following significant changes in this field including the introduction of coercive control as a legal offence and the global impact of COVID on DVA cases this is a timely and much needed resource

Gender Inequality and Welfare States in Europe Mary Daly, 2020-02-28 Gender equality has been one of the defining projects of European welfare states It has proven an elusive goal not just because of political opposition but also due to a lack of clarity in how to best frame equality and take account of family related considerations This wide ranging book assembles the most pertinent literature and evidence to provide a critical understanding of how contemporary state policies engage with gender inequalities

The Oxford Handbook of Family Policy Over the Life Course Mary Daly, Birgit Pfau-Effinger, Neil Gilbert, Douglas J. Besharov, 2023 Drawing on a multidisciplinary group of experts from many countries this Handbook is intended to be a reference work that provides students and scholars in policy related disciplines a wide ranging perspective on the diverse ways that family policies respond to modern issues and trends over the life course The Handbook is divided into two main parts The first part offers a panoramic introduction to the setting and issues which contemporary family policies have been designed to address The second part and main body of the volume is organized around four benchmark periods that encompass the main stages of the family life cycle and social policies that are called into play during these stages

Anti-Discriminatory Practice Neil Thompson, 2020-11-21 Now going into its seventh edition Neil Thompson s Anti Discriminatory Practice has been providing a trusted introduction to the challenges of

promoting social justice and equality for a quarter of a century Addressing the common concepts and issues across the various forms of discrimination this book explores the reasons why the development of anti discriminatory practice is so vital and examines the steps that need to be taken towards constructing a social work practice based on principles of anti discrimination and the promotion of equality Promoting social justice diversity and equality in social work practice is as vital today as it was when Anti Discriminatory Practice was first published and there is still much to learn Written with Thompson's inimitable clarity this new fully updated edition of a classic text is key reading for undergraduate and postgraduate students of social work Practitioners will also benefit hugely from Neil Thompson's experience and expertise New to this Edition A new edition of a popular and trusted textbook fully updated to reflect the many changes since the last edition Voice of Experience and Practice Focus examples encourage readers to think contextually and integrate theory and practice An explicit theory base with key points from each chapter drawn out to highlight specific main themes A range of questions for reflection and guidance on further learning Accompanying online resources for this title can be found at bloomsburyonlineresources.com the effective social worker These resources are designed to support teaching and learning when using this textbook and are available at no extra cost

Tackling Precarious Work Stuart C. Carr, Veronica Hopner, Darrin J. Hodgetts, Megan Young, 2023-10-05 Tackling precarious work has been described by the United Nations UN's International Labour Organization ILO as the main challenge facing the world of work In this ground breaking book leading applied research scholars advocates and activists from across the globe respond to this challenge by showing how Industrial and Organizational I O psychology has a significant contribution to make in humanity moving away from precarious work situations towards sustainable livelihoods Broken down into four key parts on Sustainable Livelihoods Fair Incomes Work Security and Social Protection the book covers a multitude of topics including the role of poor pay lack of work related security social protection for human health and wellbeing and interventions and policies to implement for the future of work The volume offers a detailed look into useful and effective ways to tackle precarious work to create and maintain sustainable livelihoods This curated collection of 22 chapters considers the broader relationships between previous research work and issues of human security and sustainability that affect workers families communities and societies Each chapter expands the present understandings of the world of precarious work and how it fits within broader issues of economic ecological and social sustainability In addition to I O psychologists in research practice service and study this book will also be useful for organizational researchers labor unions HR practitioners fair trade cooperative and civil society organizations social scientists human security analysts public health professionals economists and supporters of the UN SDGs including at the UN Chapter 1 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Job Insecurity and Life Courses Sonia Bertolini, Valentina Goglio, Dirk Hofäcker, 2024-01-31 The relationship between unstable work careers and family

transitions into adult life can vary according to the personal circumstances of individuals as well as the welfare state system of the country Drawing from interviews and survey data across the EU and the UK this in depth study explores how worker instability is perceived and experienced and how this perception in turn affects individuals economic and social situations Using intersectional analysis and a unique focus on different life stages the authors identify groups who are more prone to labour market risks and describe their relative disadvantage This powerful study will inform policy measures internationally in several social domains related to work employment and society
