The Anarchist Cookbook Keith McHenry, Chaz Bufe, Hedges Chris, 2015-09-29

From the cofounder of Food Not Bombs an action oriented guide to anarchism social change and vegan cooking Unlike the original Anarchist Cookbook which contained instructions for the manufacture of explosives this version is both a cookbook in the literal sense and also a cookbook of recipes for social and political change The coffee table sized book is divided into three sections a theoretical section explaining what anarchism is and what it isn't information on organizational principles and tactics for social and political change and finally numerous tasty vegan recipes from one of the cofounders of the international Food Not Bombs movement

Protest John Lofland, 1985-01-01 This volume addresses three major issues

What are the circumstances in which people elect to protest what are the forms of such action and how do people organize to do so Phrased differently what are the contexts of protest collective behavior personal readiness for protest conversion and finally joining together for protest in movement organizations and movement strategies The key to the book's value is its theoretical sophistication These studies address in a systematic way fundamental alternatives to organizing protests and outline in detail options for structuring units of social movement The author deals especially with movement organization locals including corps and cells Such units are examined in terms of how they coexist and how they exist sequentially through time Several case studies of movement organization are included such as the Unification Church and Mankind United The work places a heavy emphasis on protest action or strategy In the final section four chapters examine the entire gamut of strategic possibilities ranging from polite politics to violent action Protest is a distinctive and complex strategy The work carefully evaluates varieties of protest that have become significant in the 1980s In each section of the book Lofland draws out underlying themes and issues that interrelate the studies and places protest in the larger context of political and social change and theories to date
