Watchtower Study Edition March 2014:

Jehovah's Witnesses George D. Chryssides, 2022-01-27 What would happen if I accepted an invitation to Bible Study from Jehovah's Witnesses What would attending a Kingdom Hall meeting involve And if I invited door knocking Witnesses into my home This book introduces Jehovah's Witnesses without assuming prior knowledge of the Watch Tower organization After outlining the Society's origins and history the book explains their key beliefs and practices by taking the reader through the process of the seeker who makes initial contact with Witnesses and progresses to take instruction and become a baptized member The book then explores what is involved in being a Witness congregational life lifestyle rites of passage their understanding of the Bible and prophetic expectations It examines the various processes and consequences of leaving the organization controversies that have arisen in the course of its history and popular criticisms Discussion is given to the likelihood of reforms within the organization such as its stance on blood transfusions the role of women and new methods of meeting and evangelizing in response to the COVID 19 pandemic

World Religions and Cults Volume 1 Bodie Hodge, Roger Patterson, 2015-08-13 Religions in today's culture seem to be multiplying Have you ever wondered why certain religions believe and practice what they do Or how they view the Bible This volume delves into these and other engaging questions such as How can a Christian witness to people in these religions Do these other religions believe in creation and a Creator How do we deal with these religions from a biblical authority perspective Many religions and cults discussed in this first volume openly affirm that the Bible is true but then something gets in their way And there is a common factor every time man's fallible opinions In one way or another the Bible gets demoted reinterpreted or completely ignored Man's ideas are used to throw the Bible's clear teaching out the window while false teachings are promoted This book is a must for laymen church leaders teachers and students to understand the trends in our culture and around the world where certain religions dominate helping you discern truth and guard your faith When you understand a religion's origins and teachings you are in a better position to know how to proclaim the gospel of Jesus Christ as you take the good news to those in false religions

Anthropological Perspectives on the Religious Uses of Mobile Apps Jacqueline H. Fewkes, 2019-10-10 This edited volume deploys digital ethnography in varied contexts to explore the cultural roles of mobile apps that focus on religious practice and communities as well as those used for religious purposes whether or not they were originally developed for that purpose Combining analyses of local contexts with insights and methods from the global subfield of digital anthropology the contributors here recognize the complex ways that in app and on ground worlds interact in a wide range of communities and traditions While some of the case studies emphasize the cultural significance of use in local contexts and relationships to pre existing knowledge networks and or non digital relationships of power others explore the globalizing and democratizing influences of mobile apps as communication technologies From Catholic confession apps to Jewish Kaddish assistance apps and Muslim halal food apps readers will see how religious themed mobile apps create complex sites for potential new forms

of religious expression worship discussion and practices *Religiosity in East and West* Sarah Demmrich,Ulrich Riegel,2020-11-06 The book discusses the theoretical and methodological challenges of an interculturally valid sociology of religion and provides insights into the autochthonous socio religious research in Muslim societies and Asian countries In this way it links discourses that have so far taken place primarily independently of one another The book goes back to a conference in Münster that questioned the Western foundation of empirical religiosity research which reaches its limits in the non American and non European context but also with regard to orthodox forms of faith in the Western context
