Silas Kanyabigega DMin, 2017-02-24 God required the price to remove his anger against the humankind who offended him He wanted to see in that price a death with bloodshed as evidence demonstrating a sacrifice for the forgiveness of the sinners For God all sinners had to die So when Jesus died the corpse of Jesus represented the corpse of all sinners God was satisfied when he saw the corpse of Jesus God put in his mind that he had killed all mankind The punishment was then given and the problem between him and the humankind was resolved Jesus Christs corpse has ability to be the price required by God His blood as a killed sacrifice is the evidence of the death required by God The blood of animals was not needed in the mankind's salvation process The blood required by God was to be a mankind's blood This blood had to come from the death of a perfect person perfect as God himself The problem was only to be solved by the blood of God himself because only God is perfect But God could only die by taking human form that is why the

Second Person of the Trinity Jesus Christ descent to earth to die in the place of humankind through an agonizing death at the cross of Golgotha and therefore he paid the price required by God Then God died as self substitution for men He was God man In beliefs of different world religions we cant find any other god who died for people Only God in whom Christians believe in died for humankind and he had risen He is alive Only the Faith in God propitiated for sinners is True Faith and other beliefs are false faith Perspectives on Church Government Daniel L. Hope for the World Roland Chia, 2012-08-14 Hope is essential to human life Without hope humanity plunges into despair and life can lose all purpose and meaning Hope energizes people and communities and also produces forbearance and patience In this clear and accessible survey which incorporates Asian perspectives Roland Chia shows how Christian hope presses beyond the limits of both secular and religious world views and confronts the reality of pain suffering and death in the light of the crucifixion and resurrection of Jesus Christ It is hope for God and in God *Three Views on Israel and the Church* Andrew David Naselli, Jared Compton, 2019-01-26 A comparison of three major views on the relationship between Israel and the church The relationship between Israel and the church is a longstanding debate in Christian theology and Romans 9 11 are the most important chapters for understanding it How one interprets these chapters determines how one understands biblical theology how the New Testament uses the Old Testament and how the old and new covenants are related To help readers draw their own conclusion four leading scholars on this issue present a case for their viewpoint followed by a response and critique from the others Michael Vlach argues for a future mass conversion and a role for ethnic Israel in the church Fred Zaspel and Jim Hamilton present a case for a future mass conversion that does not include a role for ethnic Israel And Benjamin Merkle contends that Romans 9 11 promises neither a future mass conversion nor a role for ethnic Israel General editor Andrew David Naselli helpfully sets the debate in its larger biblical theological context in the introduction while Jared Compton provides a useful summary of the views and interactions at the end of the volume

Wayne Grudem's Systematic Theology 1 Ken Schenck, 2013-03-04 Wayne Grudem's Systematic Theology is widely influential It is well laid out easy to understand and has components that make working through it a spiritual

experience The problem is that it is wrong at a number of fundamental points This is the first of seven booklets summarizing and evaluating Grudem s theology This first booklet evaluates his theology of Scripture whose underlying problem is that it is riddled with anachronistic thinking Grudem neither fully knows how to read the books of the Bible in context nor is aware of how fundamentalist Reformed influences have skewed his interpretations of Scripture Systematic Theology, Second Edition Wayne A. Grudem,2020-12-08 This new edition of Systematic Theology by Wayne Grudem is one of the most important resources for helping you understand Scripture and grow as a Christian The most widely used resource of the last 25 years in its area Systematic Theology has been thoroughly revised and expanded for the first time while retaining the features that have made it the standard in its field clear explanations an emphasis on each doctrine s scriptural basis and practical applications to daily life With nearly 250 pages of new content and revisions this new edition now includes the following distinctive features Updated analysis of recent controversies within evangelical theology including the eternal relationship between the Father and the Son in the Trinity the role of women in the church miraculous gifts of the Holy Spirit and contemporary worship music New discussion and critiques of recent theological controversies situated outside of traditional evangelical theology such as open theism the new perspective on Paul Molinism or middle knowledge Free Grace theology and the preterist view of Christ s second coming Completely revised chapter on the clarity of Scripture Completely revised chapter on creation and evolution including a longer critique of theistic evolution and an extensive discussion on the age of the earth New discussion of how biblical inerrancy applies to some specific problem verses in the Gospels Additional material explaining evangelical Protestant differences with Roman Catholicism Protestant liberalism and Mormonism Completely updated bibliographies All Scripture quotations updated from RSV to ESV Updated section on contemporary worship music Numerous other updates and corrections Part of the brilliance of Systematic Theology has been its simplicity and ease of use Each chapter follows the same structure discussion of the doctrine being considered an explanation of that doctrine s biblical support and possible objections followed by personal application and key terms to know for personal growth Chapters also include a Scripture memory passage references to other literature on the topic and suggested hymns and worship songs If you think theology is hard to understand or boring then this new edition of Systematic Theology will change your mind *Holman QuickSource Guide to Understanding Creation* Mark Whorton,Hill Roberts,2008-10-01 The Holman QuickSource Guide to Understanding Creation surveys every major issue relating to the theology and science of creation This includes proofs that the universe was created and designed by God a discussion of the compatibility of Genesis with major theories in modern science a survey of evangelical opinion regarding the age of Earth and the nature of Noah s flood and an analysis of ancient non biblical creation myths Highly trained scientists and authors Mark Whorton and Hill Roberts are uniquely qualified to report these findings that are in line with their Christian faith The book also includes fascinating and helpful photographs and charts **Is God Calvinist or Arminian?** Bob Raymond,2018-03-21 Imagine a

Creator designing every intricacy of the universe and creating His crowning jewel mankind in His image Now imagine that same Creator with such a passionate unquenchable love for them that when they introduced sin into the world He came as a man to die an excruciating death for them Ask yourself these questions Did that Creator give His life for all mankind or just some Did that creator give all mankind an opportunity for salvation Does He love some more than others The author explores these questions and many more in this inspiring work Is God Calvinist or Arminian I highly recommend every layman as well as every Pastor include this book in their library Dr Randal Helms Senior Pastor Forestbrook Baptist Church Bob has a knack for taking the profoundly complex issues of soteriology and making them incredibly simple for anyone to understand Is God Calvinist or Arminian is an honest evaluation of some of the more troubling aspects of reformed soteriology presented in a non threatening manner and laced with down to earth language This brief volume serves as a suitable entry point for any individual looking to further their understanding of soteriology and the practical response to it Samuel L Schmidt Ed D Pastor Edgewood Baptist Church President The Samuel Ministry There are three principles that establish the basis for our understanding of Gods will for mankind His purpose for creation His omniscient wisdom to choose the best way to achieve His purpose and the power of His omnipotent will to perfectly execute His plan Applying these principles to the teachings of Calvinism and Arminianism Bob Raymond has shown that God created a plan for the salvation of mankind that is simple and orderly

Revisioning, Renewing, Rediscovering the Triune Center Derek J. Tidball, Brian S. Harris, Jason S Sexton, 2014-11-10 An international cast of theologians come together in this volume to offer essays in tribute to the late Stanley J Grenz one of the leading theologians of his generation Accordingly the volume includes timely explorations in some of the most exciting areas in contemporary theology It is only fitting that these very explorations revolve around the key motifs of Grenz s theology Trinity community eschatology and the key sources from which he drew for theology s construction Scripture tradition culture While engaging key features seen in Grenz s work some of the essays here interact with Grenz s own writings reflecting on his theological journey and his contributions to evangelical theology In these ways this volume highlights the kind of evangelical theology that so many have experienced in recent years and of which Stan

Grenz was a leading proponent Revisioning Renewing Rediscovering the Triune Center then makes a significant contribution to discussions in contemporary theology while itself setting out to honor the life and work of an eminent theologian who did so much for evangelical theology
