Understanding What Just Happened You:

Understanding What Just Happened to You Paul D. Vickers,2015-12-02 God's plan of salvation is flawless and His Word spells it out in very remarkable ways The Parable of The Word for example takes us into trenches of understanding all that occurs when anyone hears the Word of God for the first time It addresses the forces of evil which sole purpose is to steal the seed of truth which is sown in each believers subconscious mind God is so brilliant in His plan that He even spells out the dangers obstacles and hurdles which are designed to hinder the hearers of His Word However He has made available to us the power to be over comers Read on and enjoy the plethora of nuggets left for us as believers who are heirs of God's great promises and plan of reconciliation

I Wonder Nathan Aaseng,2021-11-26 Nathan Aaseng asks the God questions about which many of us wonder but rarely have the honesty to explore Weaving together story life experience science humor and hope Aaseng stitches together a quilt of Christianity that faithfully lifts up the God of grace and pointedly rejects the easy answers of popular religion With the heart of a pastor the wit of a humorist the eloquence of a bard the clarity of a scientist and the depth of a theologian the reader is led onto holy ground to see the God of mercy justice and love Laypersons will be enlightened Clergy will delight in the way Aaseng addresses the ponderings of their flocks with the solid grounding of Scripture Duane Pederson former Lutheran bishop and Visiting Professor at Yale Divinity School Many Christian leaders today promote rigid doctrine that says Never doubt Never question This insistence has been demonstrably disastrous for the church because the first step in any faith formation is to wonder Nathan Aaseng revives the gift of wonder in seeking a fuller more awesome experience of God It welcomes unsettling questions that are too often dismissed with pat answers

The Double Fyodor Dostoevsky,2009-01-16 With keen psychological insight far ahead of its time leading to wide misinterpretation among critics upon its first publication in 1846 Dostoevsky's second novel is now recognized as one of his most important works and one that inspired literally hundreds of imitations Unhappy with the negative reception for The Double Dostoevsky re wrote his original version of 1846 fifteen years later Dostoevsky wrote This revision provided with an introduction will be the equivalent of a new novel They will finally see what The Double is In a word I'm challenging everybody to a battle Why should I lose a superb idea a great type in its social importance which I was the first to discover and of which I was the herald
