Upton Sinclair

They Call Me Carpenter:

They Call Me Carpenter U. SINCLAIR,1922-01-01 *They Call Me Carpenter* Upton Sinclair,1922 By using Jesus or Carpenter as Sinclair calls him as a literary figure Sinclair exposes the new and upcoming culture of 1920 s Southern California namely Hollywood The story takes place in the fictional city of Western City and begins with a man named Billy being attacked by a mob outside of a theater after watching a German film Billy then stumbles into a church and is visited by Carpenter a k a Jesus who walks out of a stained glass window Carpenter is shocked and appalled by the upper class culture The story then roughly follows the biblical account of the Ministry of Jesus Christ In the end Carpenter decides to escape the corroded culture by jumping back into the stained glass window from whence he came **They Call Me Carpenter: a Tale of the Second Coming** Upton Sinclair,2013-01-18 What would happen if Jesus came back Upton Sinclair 1878 1968 wrote over 90 books in several genres He was considered to be a leading social advocate Because of his novel *The Jungle* which dealt with conditions in the meat packing industry The Pure Food and Drug Act and the Meat Inspection Act were passed Sinclair s views on Christianity are clearly shown in *They Call Me Carpenter* Written in 1922 the setting is post World War 1 *They Call Me Carpenter* is the story of the second coming Christ returns to California and is again rejected An excerpt reads In the doorway of the room appeared the little boy who had been knocked down by the car He looked at Carpenter and then came towards him When Carpenter saw him a smile of welcome came upon his face he stretched out an arm and the little fellow nestled in it Other children appeared in the doorway and soon he had a group about him sitting on his knees and on the couch They were little gutter urchins but he seemingly was interested in knowing their names and their relationships what they learned in school and what games they played I think he had Bertie s foot ball crowd in mind for he said Some day they will teach you games of love and friendship instead of rivalry and strife **They Call Me Carpenter (Annotated)(Biography)(Illustrated)** Upton Sinclair,2018-04-26 *They Call Me Carpenter* A Tale of the Second Coming is a novel written by Upton Sinclair in 1922 that exposed the new and upcoming culture of 1920 s Southern California namely Hollywood Sinclair does this by using Jesus or Carpenter as Sinclair calls him as a literary figure Upton Beall Sinclair Jr 1878 1968 was an American writer who wrote nearly 100 books and other works in several genres Sinclair s work was well known and popular in the first half of the twentieth century and he won the Pulitzer Prize for Fiction in 1943 *They Call Me Carpenter* Upton Sinclair,1924 *They Call Me Carpenter* Upton Sinclair,2015-01-20 Upton Sinclair was an American author who is credited with writing over 100 books covering a wide variety of genres Sinclair s writing career spanned many years from the groundbreaking 1906 novel *The Jungle* to winning the Pulitzer Prize for fiction in 1943 *They Call Me Carpenter - Scholar's Choice Edition* Upton Sinclair,2015-02-16 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps

Although Sinclair had written very critically of organized religion in his book The Profits of Religion in this novel he takes a more human approach to the story of Christ Of course the Christ character is repulsed by the show of wealth he finds in 1920s California culture which ultimately contributes to his leaving In that sense They Call Me Carpenter fits well into the canon of Upton Sinclair **They Call Me Carpenter** Upton Sinclair,2013-05-05 Upton Sinclair calls Christ the world s greatest revolutionary martyr Furthermore by a mere transition of some 2 000 years and by a series of incidents absolutely literal translations of Christ s life transplanted to America today Sinclair proves his point In doing so he has written a novel that provokes more than the ordinary amount of thought True it is highly sensational But Christ was a tremendous sensation in his own day Mobs big little friendly ugly attentive and jeering play a conspicuous part Much of the color and action of the story is most adroitly combined with dissertations by the author on modern problems In spite of them not because of them the scenes are lastingly impressive The characterization of Christ under modern conditions is at all times dominant to which brief flashes of the four apostles provide an interesting background the apostles coming from various types of modern men It is interesting to note that the author is so dubious of general knowledge of the Bible that he considers it necessary to prevent readers thinking the novel a joke to give in an appendix parallel references to pages in the story with the corresponding passages in the Bible **They Call Me Carpenter** Upton Sinclair,1922 By using Jesus or Carpenter as Sinclair calls him as a literary figure Sinclair exposes the new and upcoming culture of 1920 s Southern California namely Hollywood The story takes place in the fictional city of Western City and begins with a man named Billy being attacked by a mob outside of a theater after watching a German film Billy then stumbles into a church and is visited by Carpenter a k a Jesus who walks out of a stained glass window Carpenter is shocked and appalled by the upper class culture The story then roughly follows the biblical account of the Ministry of Jesus Christ In the end Carpenter decides to escape the corroded culture by jumping back into the stained glass window from whence he came
